# Our Core Values

## Tolerance

Tolerance is our ability to not only patiently forbear, but to value the existence of opinions and behaviors that one dislikes and disagrees with.

## Honesty

Honesty is our ability to do and to say what we sincerely consider to be right, even if it apparently goes against our own selves or against those who are near and dear to us.

## Discipline

Discipline is our ability to do the right thing for ourselves and for others, even when no one is observing us – by the exercise of our self-control.

## Respect

Respect is our ability to behave and to speak with and about others in such a way that safeguards and enhances their dignity, honor and self-image. It is the ability and the capacity of having due consideration for the feelings, honor and rights of others.

# Chairman's message

The Punjab Group of Colleges has been committed to the cause of education to our nation's youth for over thirty three years and is the largest educational network in Pakistan. Our excellence has been proven time and again through our students' achievements.

Our aim is to create a community that is increasingly entrepreneurial and even more reliant on technology and our courses are designed to give our students the skills and knowledge they need to succeed in today's competitive environment. We provide a stimulating and supportive environment which focuses on the power of individual guidance and assistance. We give our students the tools they need to grow into competent, skilled and self-assured professionals. We have followed our passion and focused on our dreams.

Our story of growth, with God's Blessing, has been phenomenal. Punjab Colleges are functioning accurately and playing their part in imparting quality education with equal opportunities for boys and girls.

The studious students from small towns and cities used to commute to the cities where Punjab Colleges were operating thus spending good amount of time, money and energy. Keeping in view the problems and trends of the students and their parents, we decided to establish new colleges in the cities lacking the latest educational facilities and thanks to Almighty Allah, we are operating in more than hundred cities across Pakistan today.

Our vision for the future is defined by realism and a can-do spirit. Our focus is steadfastly on raising the quality of education to bring it at par not only with the best in Pakistan but with those who refer themselves as world-class educational institutions.

I assure you that your educational experience in our institutions, be it Punjab College of Commerce, Punjab College of Science or Punjab College for Women, will be a rewarding one both academically and culturally.

In-sha-Allah!

## Punjab Colleges

Punjab College is the name of trust. It is known for its quality education, modern buildings, spacious lawns, central locations, air-conditioned classrooms, latest labs and well-stocked libraries. It started in 1985 from one campus in one city. The Punjab College of Commerce was the first campus established in Lahore. Subsequently, it turned into a chain of colleges that is now the largest network of colleges in Pakistan with 390 college campuses in 111 cities.

The Punjab Group's mission was to extend commerce education throughout Pakistan and to produce quality business specialists. The Group succeeded in its mission very soon. The boards and university positions proved the Group's academic excellence. In sports and other

co-curricular activities, the Group also showed its superiority.

The highly educated and trained academic staff and a congenial learning environment are the marked features of Punjab Colleges. The teachers put their hearts and souls and take special care of the students to achieve their goals.

Medical and engineering professionals have always been the basic need of a society. The Punjab Group responded to the challenges of the new millennium by establishing a chain of Science Colleges. At present, Punjab Colleges of Science are producing future doctors, engineers and scientists in almost every major city of the province. These colleges have the infrastructure

to meet the growing demands of students in these disciplines. Students not only learn, but also develop their personality and sharpen their intellect.

Punjab Colleges have been providing quality education to both boys and girls at all campuses since its inception at Intermediate, Graduation and Higher levels.

It is an established fact that to educate women means to educate a nation. Educated mothers are better equipped to successfully raise the next generation.

To meet the demands of today's young women and to give them a sense of privacy and security,

the management of Punjab Group decided to establish a chain of Punjab Colleges for Women in all the cities where Punjab Colleges were operating.

These colleges have since then maintained the traditions and have attained the highest level of academic supremacy. The top level of teaching at Punjab Colleges can be gauged by the fact that every year our students attain top positions throughout the province. The long chain of position holders has never been broken and is ever-increasing. This has been achieved through commitment and devotion to the cause and mission.

We provide every possible help and care to the

students and offer them many incentives as these are the hallmark of the Punjab Colleges. The student obtaining top position in the University of the Punjab is awarded a brand new car and free higher education in any institution being run under the aegis of the Punjab Group of Colleges. Similarly, a brand new car is awarded to the student who attains overall first position in Board Examinations. A new motorcycle is awarded to the student who clinches first position discipline-wise in the Board Examination and female students are given cash prize.

Co-curricular activities are an integral part of education as they develop a healthy sense of competition and impart higher values. Punjab Colleges provide many such activities apart from

the traditional welcome and farewell functions. Students enjoy musical functions, mushairas, debating contests, dramas, quiz programmes, study and recreational tours across Pakistan. Our students have participated in different competitions abroad.

By the grace of Allah Almighty, our Group has established a credible reputation in the society due to its commitment. Keeping in view the trends of the students and their parents, the management of the Group decided to establish new colleges in those cities where such facilities were not available. We feel pride in announcing that Punjab Colleges have the largest number of campuses in the country. We are in 111 cities with 390 college campuses.

# Punjab Colleges Lahore

Various campuses of Punjab College Lahore are centrally located in the heart of the city. The campuses are modern, purpose built, on the bright and breezy Lahore Canal, surrounded by picturesque scenery that enhances the learning programme. Lively and elegant, the traditional architectural style of Lahore Campuses contrast with modern academic facilities. In close proximity lies the Qaddafi Stadium, Al-hamra Cultural Complex and Art Gallery, Lahore. These campuses

offer education in commerce and science disciplines for boys and girls separately. The independent campuses are equipped with latest facilities like air-conditioned classrooms, science labs and multimedia services.

Well-stocked libraries are comprised of reference books, periodicals, current affair magazines, journals and research reports on trade and commerce. The trained library staff is always available to assist students inside the libraries. All classrooms are fitted with public address systems to aid the learning process.

The colleges prepare the students to identify their basic business and technological skills, to compete and grow in the highly challenging business and scientific scenarios. Above all, the superb academic facilities and sports opportunities foster enthusiasm and a desire to excel.

The Lahore Campuses are fortunate enough to have the most experienced faculty that promotes independent thinking and critical awareness among students. There is a well-established rapport between students and faculty. Punjab Colleges Lahore have always been linked to an impressive series of successes in Board and University examinations. Besides excellent academic achievements, the Colleges stand out as splendid performers in local and national competitions. The Colleges thus provide ample opportunities to the students to explore their interests, realize their potentials and meet the challenges of practical lives.

Since its inception in the year 1985, Punjab Colleges have maintained high standards in academics, sports, co-curricular and cultural activities. Now Punjab Colleges can claim a thirty three years long tradition of producing Board and University toppers. Year 2017 was no different.

At Intermediate level, in the year 2017, our brilliant students bagged overall top three positions in Lahore Board of Intermediate & Secondary Education.

Muhammad Umer secured overall 1st position in Lahore Board. Minaam Farooq got overall 2nd position in Lahore Board while Muhammad Umer Mukhtar bagged overall 3rd position.

In Pre-Medical Group (Boys) Minaam Farooq and Muhammad Umer Mukhtar secured 1st and 2nd positions respectively. In Pre-Medical Group (Girls), Unsa Miraj secured 1st position.

In Pre-Engineering Group (Boys) Muhammad Umer, Muhammad Tayyab Khan and Ali Hamza secured 1st, 2nd and 3rd positions respectively. In Pre-Engineering Group (Girls), Farheen Asif, Mahnoor Asad and Inza Naeem got 1st, 2nd and 3rd positions respectively.

In General Science Group (Boys), Muhammad Saad Sarfaraz secured 1st position while Syed Sajjad Hussain Shah got 3rd position. In General Science Group (Girls), Haleema Mustafa stood second. Midhat Kamran and Azka Noor shared the 3rd position.

In Commerce Group (Boys), Awais Ahmad, Muhammad Awais and Hamza Saleem notched 1st, 2nd and 3rd positions respectively. In Commerce Group (Girls), Mahnoor Bashir, Mahnoor and Hafiza Tabinda Naeem secured 1st, 2nd and 3rd positions respectively. In Humanities Group (Girls), Saliha Junaid secured 2nd position. In B.Com Punjab University

Results 2017, Nimra Naeem secured overall 1st position.

In sports at Board level, Punjab College was declared the winner of Lahore Board Overall Sports General Trophy (2017-18) and kept the unbeaten record of winning the Trophy for 23 consecutive years. Punjab College notched 1st positions in Weightlifting, Wrestling, Bodybuilding, Rowing, Gymnastics, Football, Handball, Taekwondo, Kabaddi, Hockey, Basketball, Cricket, Cross Country, Athletics, Boxing, Badminton and Cycling while they were Runners-up in Table Tennis, Swimming, Squash and Lawn Tennis.

In All Pakistan Intersarsity Sports Championship 2016-17, UCP won All Pakistan Intersarsity Championship General Trophy for the sixth time consecutively. UCP is the first university that has ever beaten the University of Punjab in the history of Sports.

Punjab College Literary Society (PCLS) provides a very vast canvas for the students to decorate it with their skills. They display their talent in different fields of arts and literature. Punjab College Literary Society plays a very vital role in keeping the victory flag high in the fields of English and Urdu

## Punjab Colleges Gujranwala

The management of Punjab Group of Colleges laid the foundation of its first campus in the thriving city of Gujranwala in 1997. Since then, the number of students and campuses is increasing. We feel proud that Punjab Colleges Gujranwala offers commerce and science education for boys and girls separately in separate campuses. They are affiliated with the Board of Intermediate and Secondary Education Gujranwala and University of the Punjab, Lahore.

The results of Board and University examinations prove the academic excellence and superiority of Punjab Colleges Gujranwala.

All these accolades have been achieved by providing unparalleled facilities to the students by the management. All Campuses have an easy access from every corner of the city. All classrooms are air-conditioned and equipped with multimedia systems. All campuses have modern and latest science and computer labs according to emerging needs and basic requirements. Punjab Colleges Gujranwala have well-stocked state of the art libraries which entertain the queries by the students.

The academic session 2017 proved to be another glorious addition to the tradition of Punjab Colleges when our student Hafiz Khizar

Mubeen got overall first position in Board of Intermediate and Secondary Education Gujranwala. One of our students, Sadaf Zahid got first position in B.Sc. (University of the Punjab). Furthermore, our shining stars also made excellent score in BISE Gujranwala. Sheharyar Cheema, Fatima Khalid, Mehak Saleem, and Nimra Javed secured 1st position in I.Com Boys, F.Sc (Pre-Engineering) Girls, ICS Girls and I.Com Girls respectively. Abuzar Siyami secured 2nd positions in I.Com Boys. Usman Javed Sahi, Ammara, Syed Humail Hussain Zaidi, Ayesha Afzal, acquired 3rd positions in F.Sc. (Pre-Medical) Boys, F.Sc. (Pre-Medical) Girls, F.Sc. (Pre Engineering) Boys, F.Sc. (Pre Engineering) Girls. Mahnoor Iqbal, and Muhammad Rehman bagged 3rd position in ICS Girls and I.Com Boys respectively. Our student Farah Saeed stood first in MDCAT

among girls and overall second in MDCAT in all over the Punjab. Our student Hafiz Khizar Mubeen topped the merit of Public sector medical colleges.

Besides, Punjab Colleges also have a healthy trend of establishing dominance on other colleges in all spheres. Punjab Colleges have always won great name and fame in sports. During the session 2017 – 18, our girl students won Overall General Sports Trophy in BISE Gujranwala for consecutive 16 years. Our boys continued with their tradition of excellence in sports out of 20 tournaments organized by BISE Gujranwala in 2016-17, they got first position in 14 events, 2nd position in 6 events and bagged General Trophy 2017-18. They have been doing it for the last consecutive seventeen years.

## Punjab Colleges Multan

Multan is the fifth largest city of Pakistan located in south Punjab, at the bank of river Chenab. The very name of Multan, one of the most ancient and epoch-making cities of world, linking itself with the most civilized and the pioneer seat of learning through Alexander the Great, brings in corridors of mind the bright concept of learning and civilization. Multan has striven to its best to retain its valuable assets in the form of scholars and saints as the hallmark of its recognition. That's why it has been rightly titled as "the City of Saints". Moreover, it also enjoys its fame through its fertile land of growing world-wide cherished delicious mangoes. The silver fibers of cotton grown in this land have written the name of Multan in golden words on the

pages of history. The sweet language of this land depicts the same sweetness of sublime thought and character of its dwellers. The residents, time and again, have proven their strength and vigour of their matchless abilities over the canvas of globe.

Extending the luminosity of knowledge at Multan, Punjab Group of Colleges launched its first campus here in 2000. Since its establishment, it has travelled many milestones of success and fame. It has studded its cap of glory with many feathers of different hues. Starting the journey of spreading knowledge from one campus in Multan, now its five campuses are busy in casting the radiance of the character, soul and skills

among students.

All campuses own spacious and purpose-built buildings with air-conditioned class rooms equipped with multimedia and public address system, well-stocked and up-dated libraries and science labs which enhance the quality of learning and education. Our fabulous and flawless infra-structure enjoys no parallel in the market. Our experienced and qualified, dedicated and committed faculty leaves no stone unturned in order to quench the thirst of knowledge seekers. Since, we believe in imparting not only education, but also the excellence of education, the story of glory under the flag of PGC is a gem-clear manifestation of what we claim.

The journey of success of PGC, Multan encompasses all spheres of education: curricular, co-curricular and extra-curricular. To begin with the story of glory in 2017 at Intermediate level in BISE, Multan, we bagged 13 positions altogether. PGC group won overall 1st position in BISE Multan. Similarly, in the discipline of Commerce, Hadia won 1st position in I.Com. As far as the discipline of General Science group is concerned, Shumayla Jamil bagged 3rd position in BISE Multan. Among boys, Zain ul Abidin won 2nd position in I.Com.

Our story of glory further proceeds to Bahauddin Zakariya University at graduation

level in 2017. Beenish Iqbal secured 1st position in B.Sc. by securing 723/800 marks. As far as the discipline of commerce is concerned, Punjab College of Commerce secured top five positions in B.Com. Mahnoor bagged 1st position by gaining 1255/1500, Mahnoor Seyal won the 2nd position in B.Com by getting 1250/1500, whereas Fatima Mustaneer secured 3rd position in B.Com in BZU by getting 1249/1500, Maleeha Mushtaq won 4th position by getting 1242/1500 and last but not least, Aleena Batool won 5th position in B.Com by securing 1239/1500. This is one of the unique hallmark in the fame of PCC Multan.

The limitless journey of success also welcomed

PGC, Multan in co-curricular activities like Speech Competitions, Debate Competition, and Essay Writing Competition at District, Divisional and Provincial Level as well.

It is universally recognized that a healthy body keeps a healthy mind. For the last 16 years, Overall General Sports Trophy has been destined to PGC in BISE, Multan. This unique record of history is not less than a divine blessing. This year, Punjab College was declared winner in 12 sports and Runner-up in 1 sport event.

## Punjab Colleges Sargodha

The management of Punjab Group of Colleges established the first Campus in Sargodha, a fertile and gorgeous soil, in the year 2000. Alhamdulillah, success became its destiny right from its inception. In a very short span of time, different campuses for Commerce, Science and Information Technology separately for boys and girls were established in the central locations.

Punjab Colleges have all the facilities like air-conditioned classrooms, latest science and computer labs, multimedia, Smart Boards,

online lectures facility and well-stocked libraries. The highly qualified and well-trained experienced faculty assists the students to appear for future challenges. Punjab College Sargodha has set the standards for quality education and has become the Centre of Excellence. Along with curricular pursuits, our college emphasizes the significance of co-curricular activities. Punjab College Sargodha has become a symbol of quality education, in Commerce, Science and Information Technology.

Punjab College Sargodha has maintained a high standard in academics, sports, co-curricular and cultural activities. In 2017, students of Punjab Colleges Sargodha performed exceptionally well in Sargodha/Federal Boards Examinations. Mishkat Mubashir Awan of Pre-Medical secured Overall 1st position in Federal Board. Muhammad Safi Ullah of Pre-Engineering obtained Overall 2nd position in BISE Sargodha. Muhammad Talha Khan got 1st position in Pre-Med, Tahir Raza got 2nd position in Pre-Med, Muhammad Talha got 3rd position in Pre-Med and Laiba

## Punjab Colleges Rahim Yar Khan

It was the year 2003 that Punjab Group of Colleges decided to respond to the increasing demand of general public of this far-flung, neglected but fast developing city of southern Punjab by establishing Punjab Colleges Rahim Yar Khan.

The campuses are easily accessible at Khanpur road. These are purpose-built and have the facilities of air-conditioned classrooms, modern well-equipped labs with unique facility of multimedia boards in the whole region and resourceful libraries to meet the academic and scholarly needs of our students. Boys and girls are taught separately in a congenial environment by the highly qualified and experienced teaching faculty.

Punjab College Rahim Yar Khan has been a symbol of quality education and distinction with a number of positions in Bahawalpur Board since its emergence in the city. Recently in the year 2017, our outstanding students brought laurels for the institution by attaining positions in Board of Intermediate and Secondary Education Bahawalpur. Hadia Alam Siddiqui got over all 2nd position in BISE Bahawalpur. Malik Hassan Raza notched 1st position in ICS (Boys). Mahnoor Faisal stood 3rd in Pre-Engineering (Girls). Nimra Noor got

2nd position in I.Com. Similarly, Hadia Alam Siddiqui got 1st position in pre – Engineering (Girls). These achievements speak volumes about the dedication and hard work of the students and faculty equally.

Year 2017 proved to be a milestone in the educational history of Rahim Yar Khan when Punjab College announced the BS degree programmes in Zoology, Botany, Chemistry, Physics, Maths and Commerce along with ADP and M.Com already in practice to meet the varied range of their interests. Masters degree program i.e. MSCIT has also been started in the same year. All these academic disciplines are successfully been executed under the umbrella of University of Central Punjab, Lahore. Punjab College feels proud with its experienced, dexterous MPhil/PhD qualified teaching faculty for these classes. And once again parents and students, both, showed their trust in Punjab College for this quality education as more than four hundred students have been enrolled in these disciplines.

Co-curricular and extracurricular activities are the essential part of academic life. Debate and essay writing competitions, Sports competitions, Trips to northern areas, Bonfire,

Cultural Festival, Welcome/Farewell Parties, Mehfil-e-Naat, Mehfil-e-Mushaira are staged on annual basis which provide opportunities to all the students in realizing their potential. Our students are very keen to be on top and they are striving very hard to establish themselves as number one position holders in both academics and professional life as well.

## Punjab Colleges Sialkot

Sialkot, a centre of manufacturing and export, felt a dire need for an institution that could provide qualified graduates to join the rapidly expanding enterprise. Punjab College Sialkot was established. Within no time, it earned an outstanding reputation in the district. Soon, different campuses for boys and girls were established to meet the increasing number of students. All campuses are ideally located in easily accessible areas having a congenial atmosphere of learning. All classrooms are air-conditioned and well-furnished. Students are facilitated with the most modern and well-equipped labs for their practical examinations. Highly skilled and qualified staff guides them and leads them to the top.

The colleges have impressive libraries which possess a variety of textbooks, journals and encyclopedias that provide a wealth of knowledge to the students. Students are motivated to take part in sports and co-curricular activities like quiz programs, debating contests and dramatic performances.

In the outgoing year, our learners got two positions in BISE Gujranwala. Khizar Amjad got 1st position in ICS (General Science) and

Umm e Kalsoom got 2nd position in ICS (General Science) in BISE Gujranwala. After attaining distinguished positions in entry tests, many students got admissions in the leading medical and engineering colleges and universities of Pakistan.

In Chief Ministers Debate, Essay Writing and Sports Competitions, our students got distinguishing positions at District and Division level contests. In speech and poster competition related to "Quaid-e-Azam Week" and "Elimination of DRUG Use Among Students in the Educational Institutions" our students got 1st and 2nd position at District level.

At the start of the session a grand welcome was hosted by the PGC Sialkot Campus for new comers. Similarly, co-curricular activities during the current academic session like Quiz Competition, Speech and Debate contests, Iqbal Day, Defence Day, Mehfil-e-Naat programs were also held in a befitting manner. Moreover, Annual Sports Gala and events like National Song Show, Cultural festival and Bonfire are also held every year at a large scale.

In continuation of Literary traditions, a very

graceful Mehfil-e-Mushaira was arranged which was presided by honorable Amjad Islam Amjad. Other distinguished guests of honor included Capt.(R) Atta Muhammad, Hameeda Shaheen and Salman Gilani. Dr. Farrukh Naveed, DC Sialkot graced the occasion and appreciated this marvelous effort of PGC.

## Punjab Colleges Gujrat

Realizing the need for quality institution in the city of Gujrat for science and commerce education, Punjab College was established in the idyllic locality in Gujrat. It is an actual blessing for the student of District Gujrat. The main campus is located on the G.T. Road.

The college provides ideal opportunities for boys and girls separately to shine in a competition environment. Our faculty is committed and dedicated.

All classrooms are air conditioned. There are well-equipped Physics, Chemistry, Biology and Computer laboratories for imparting sound practical knowledge in these subjects. The college has a well stocked library. The college also conducts various educational workshops to buff-up the capabilities of new teachers.

Due to ceaseless and assiduous efforts of teachers and hard work of the students, the college has won the laurels by getting distinctive positions in Gujranwala Board 2017. Khaz Khezar got over all 2nd position in BISE Gujranwala. Similarly Minahil Shah, Muhammad Husnain and Nishat Fatima got 1st three positions respectively in BISE Gujranwala in pre-Medical discipline. Khaz Khezar and Maryam javed got 1st and 2nd positions respectively in BISE Gujranwala in pre-Engineering discipline. Syed Hammad Ali Shah got 3rd position in BISE Gujranwala in ICS and Zulekha 2nd position in BISE Gujranwala in I.Com.

Co-curricular and extra-curricular activities run side by side on the campuses for the boys and girls separately. Welcome and Farewell parties for boys and girls, Quiz Competition, Sports,

Art Competition, Bonfire, Music Concert and special trips are the notable activities of the college. In Chief Ministers Essay Writing Competition (2017), our students got 8 positions at District and Provincial level.

Another hallmark of the college is the establishment of STEP (Strategic Tactical Entry Test Preparation Program). The results of entry test classes were excellent last year; there were 250 admissions in Medical Colleges and 181 admissions in Engineering Universities. A significant performance is certainly by the blossoming Gujrat chapter of the PGC! But this is not the end; it is just the beginning to a multitude of new ends, we are sure to reach there with the bounties of the Almighty and the tireless efforts of our highly professional faculty.

## Punjab Colleges Okara

Education in Okara is far richer than many other districts of the Punjab. In order to cater to the needs of the students for quality education, Punjab College Okara was established in 2008 at the ideal location on Grand Trunk (GT) Road with a view to offer an excellent educational platform to students.

The college has qualified, experienced and hardworking faculty. A well managed and coordinated system has been devised where parents and guardians are kept informed about their children's progress in studies. Parents-teachers meetings are conducted on regular basis. Free extra coaching CARE classes are arranged for weak students. Entry

Test Preparatory classes under the umbrella of STEP by PGC are also successfully conducted for students.

Our campuses have the finest facilities for academics, extra and co-curricular activities for the students.

The academic sessions of the outgoing years have been historical with the outstanding results of our students in academics. Punjab College, Okara bagged 20 positions including the Overall 1st and 2nd positions and our students shined with 90%+ Overall Results in Intermediate Annual Examinations 2016 and 2017 held under BISE Sahiwal.

Countless thanks to Almighty Allah, Punjab College Okara won 71 positions in Chief Minister's Speech, Debates & Essay Writing Competitions 2016-2017 at Intermediate, Degree & Post Graduate Levels in Okara District, Sahiwal Division & Punjab Province. This historical landmark achievement has set a new highly competitive benchmark for us and others for the years to come.

Extra & Co-curricular activities go side by side with the rigorous academic schedules. In the outgoing year, a number of activities were arranged at the campuses which included Welcome Parties, Talent Hunt, Seerat-un-Nabi Conference, Quiz Programs, Youth Festivals, Heroes of Pakistan Day, Pictures Exhibition, Art Day, Flowers Exhibition, Jashn-e-Baharan, Cultural Day, Annual Sports and Trips to Murree both for boys and girls separately.

# Punjab Colleges Bahawalpur

The Punjab College Bahawalpur was established in 2008 and started functioning as an academic institution for higher secondary and graduation classes. In 2012, keeping in view the parents' demand, a separate girl's campus was established by the name of Punjab College for Girls, Bahawalpur. The Group also established its magnificent infrastructure imitating the limelight of the local royal palace, 'Noor Mehl' under the patronizing umbrella of University of Central Punjab on the Yazman Road in 2016. The aim of the newly established building was to satiate the thirst of the students seeking degrees in graduation and postgraduation and it is a truly large campus with more than hundred classrooms. In addition to the elegant buildings, the campuses of the college provide air-conditioned classrooms, up-to-date labs,

and nice libraries that add a greater charm to its learning environment. The campuses have highly powered electric generators and uninterrupted electric transmission lines from the grid-station that save our students from the pain of load shedding. The latest equipment and the facilities like multimedia projectors, touch-boards, plasmas, high-speed internet services and latest computers add in the beauty of the college ambience.

To impart the best quality education, the college offers programmes like: F.Sc, ICS, I.Com, B.Sc, and B.Com in affiliation with the Islamia University of Bahawalpur, while BBA, BSCS, M.Com. and BS programs in Chemistry, English, Physics, Botany, Chemistry, Zoology, and Mathematics, etc under the umbrella of University of Central Punjab (UCP), Lahore.

The academic year is divided into three terms. At the end of each term, the college conducts examinations and parents are sent comprehensive progress reports of their children. Parent-teachers' meetings (PTMs) are also conducted after the end of each term. The institution collects study feedback from the students about the efficiency of the teachers.

The academic session 2017-18 was heralded with the outstanding Intermediate Board Results of our students. Hafiza Samita Sajid stood overall 3rd and 1st in Premedical (Girls) in Board Result. Muhammad Aqib grabbed 1st position in Pre-engineering (Boys), while Nihal Naseer notched 2nd position in Pre-engineering (Boys) in BISE Bahawalpur Result 2017. Besides these positions, almost 503 students marked their results by getting A/A+

grades in the board results.

Moreover, our students have also performed superb in co- and extra-curricular activities. In sports, keeping the winning tradition since 2011, this year too, our students defended their General Trophy both in boys and girls separately by winning in Intercollegiate Sports 2017 conducted by Bahawalpur Board. Punjab College Bahawalpur boys campus remained first in weight-lifting, wrestling, athletics, bodybuilding, hockey, taekwondo, cycling and in touchball, while runner-up in lawn tennis, cross country, and table tennis. Similarly, our girls stood first in volleyball, handball, touchball, hockey, badminton, and table tennis. Jahanzeb Asghar and Rehan, both are international players in football and have been playing in Sri Lanka and China

in under 19 team. Muhammad Qasim and Samina, our second year students, have also been playing hockey as international players this year. Jahania Jan is a superb athlete and has played all-Pakistan Board Tournament / Championship. Hammad Javed, Husnain Shafqat, Muhammad Rehan and Muhammad Aqeel have also played with distinction in all-Pakistan Tournament. Last but not the least, Hamza Javed, a first-year boy, has served in cricket under 16 at national level.

This year too, Punjab College, Bahawalpur conducted a mega event at the divisional level in the history of Bahawalpur with the title 'Brain of Bahawalpur Quiz Competition-2018'. Aimen Saleem from Sir Syed Model High School, Hasilpur stood 1st and received Rs. 50,000/- cash prize, Ayesha Akram from

Paramount Grammar High School, Sadiqabad and Laiba Javed from Jinnah City School Hasilpur grabbed the 2nd and 3rd positions with cash prizes of Rs. 30,000/- and Rs. 20,000/- respectively in the competition at Division level. Similarly, Abdul Hannan from Bahria Foundation College, Bahawalpur and Asma Batool from Al-Qamar English Public School Yazman were declared as 1st and 2nd at Bahawalpur Tehsil level. At the end of the competition, the winners along with all the participants are awarded with cash prizes, shields and merit certificates. The aims and objectives of the events are to boost a sense of competition among the students to uplift the learning environment.

## Punjab Colleges Phalia

It is away from District Head Quarter upto 25km. Phalia City is older than Mandi Baha-ud-din City, having a great historical importance. The history of Phalia city is related to Alexander the Great. The name of the horse of Alexander the Great was Bucephallus and it died at this place in 326 B.C. Alexander built the city in the commemoration of his horse. With the passage of time, the city gained the name of Phalia from Bucephallus. Majority of the people earn their livelihood through agriculture. A few people are in government services. Most of the population lives in villages. The city is highly productive in judiciary. It has given a few numbers of judges and lawyers.

Punjab College Phalia campus is one of the landmarks of the chain of Punjab group of colleges. Highly skilled masters and M.Phil Experienced faculty members have been striving for better results since the commencement of the campus, syllabus break down on weekly and monthly basis; fortnightly test schedule is regularly checked during academic session. Round tests, and Pre-Board & Pre-University exams are conducted respectively. Teaching faculty is provided a chance to polish its academic skill by attending a special training workshop every

year in addition to our running disciplines. Punjab College Phalia has started masters in English semester program with affiliation of university of Sargodha. By the benevolence of Allah Almighty, Phalia campus has achieved the credibility in district keeping in view the dire needs of the students of this area, we are intended to initiate masters classes in more subjects.

This year Punjab College Phalia has initiated the STEP Project. We have started STEP Classes (MCAT, ECAT, FUNGAT, etc) to facilitate the students of the district, nearest to their door steps.

Since its inception, Punjab Group of Colleges, Phalia Campus has maintained high standard in academics. Our Student Whaid Ikram secured 1st Position in FA exam conducted by BISE Gujranwala in 2012.

The college conducts a number of co-curricular activities like Quiz Competition, Debates, Essay Writing, Welcome and Farewell Parties, Study and Recreational Tours, Mehfil-e-Naat, Defence Day, Independence Day, Bonfire, Painting and Spring Festival, Annual Sports Gala, Music Concert, Iftar Dinner, Farewell Functions, under the supervision of Dramatic Society. Blood Bank in collaboration

with Sundas Foundation are established in the campus. All these activities groom the personality of the students. Campus occupies (24) canals including addition of 16 canals last year which consists of indoor playground for girls with lush green lawns. Parents-Teachers-Meeting (PTM) is conducted regularly twice a year to intimate performance of students and assure the parents of every assistance and guidance. The college provides transport facilities to its students. Feedback system plays pivotal role in result oriented process. Special coaching classes for weak students are also organized for their improvement.

## Punjab Colleges Ahmadpur East

Ahmadpur East is a city in Punjab and is situated in District Bahawalpur (Southern Punjab, Pakistan). The city has a limited number of colleges offering intermediate and higher-level education. The students had to go to other near and far cities in pursuit of good quality education. Sensing the problems faced by parents and students both, management of the Punjab Group of Colleges decided to set up Punjab College in Ahmadpur East. The start of the session enrolled 300 plus students

in different disciplines. This shows the level of confidence the parents of this area have on Punjab Group of Colleges. We are committed to excellence by providing innovative learning atmosphere. Keeping in view the motto of Punjab Group of Colleges, we feel enthusiasm to produce excellent results in academics and introduce something most fruitful to enhance the cultural values, traditions and norms. The college building is spacious, purpose-built with air-conditioned classrooms and provides

a congenial teaching-learning environment. There are fully-equipped Biology, Chemistry, Physics and Computer laboratories to strengthen the practical skills of the students. The teaching in mathematics and different disciplines of science is supported by content-based three-dimensional animations to promote knowledge-based learning. The college library is well stocked with latest books and reading materials pertaining to literature, science, commerce, religious and cultural studies. The faculty is highly qualified, experienced and quality conscious.

To give a break to students from their hectic academic routine, the college arranges for a number of co and extra-curricular activities. These extra-curricular activities include quiz programs, mehfil-e-hamd-o-naat, debates, cultural festivals, trips to important and historical places, welcome and welfare parties and sports gala.

## Punjab Colleges Abdul Hakim

Abdul Hakim is a sub-tehsil level city of Tehsil Kabirwala, District Khanewal. It is located at a distance of 36 km from Kabirwala and 45 km from Khanewal. The city is named after the name of a saint Abdul Hakim whose tomb is located near Multan Road. Head Sidhna, a 450 MW Roush Power plant is located in the vicinity of Abdul Hakim. The natural resources of this city are comprised of fertile land extensively irrigated by the canal system emerging from the river Ravi and is a part of Rechna Doaab. Major crops of this area include cotton, wheat, sugarcane, rice, maize, oil seeds, fodder, vegetables and fruit

farms. Industrial units are mostly agriculture-based like flour mills, poultry farms, cotton ginning and oil extraction mills.

In order to provide quality education to the students of Abdul Hakim and surrounding areas, the management of Punjab Group of Colleges has established Punjab College, Abdul Hakim. The college building is purpose built and eye catching providing maximum comfort to the students. The laboratories of Biology, Chemistry and Physics are equipped with updated apparatus and equipment. Computer laboratory has the most updated

version of computers. In order to provide knowledge based education, class lectures are fully supported by the concept based animations and videos. The interactive mode of teaching involves participation of the students and helps to gain knowledge based learnings. Experienced and qualified staff is available to impart quality education to the prosperous students of the area. The college is affiliated with the Board of Intermediate and Secondary Education, Multan for the teaching of Intermediate classes.

## Punjab Colleges Arifwala

Arifwala is a thickly populated area of district Pakpattan Shareef. It was in a dire need of a dynamic educational setup to meet the growing demands of not only the local students but also the students coming from the adjoining population units. Punjab College Arifwala was established in 2014.

The college campus is grand, splendid and unparalleled in the territory. It is located on Main Qaboola Road in a pollution free environment and encourages students to devote themselves to studies and experimental learning in fully equipped air-conditioned Computer, Biology, Chemistry and Physics laboratories. Highly qualified and professional faculty is always ready to resolve the academic problems of students

with keen vigilance.

Punjab College Arifwala is affiliated with Board of Intermediate & Secondary Education, Sahiwal for Intermediate classes. In the year 2016, we successfully started B.Sc., B.Com classes at our campus with affiliation of Govt. College University of Faisalabad. Now, in the year 2017, M.Com., BS(Hon) & ADP(IT) are going to be started Insha'a Allah.

By the grace of Allah Almighty, Punjab College Arifwala has successfully completed its first batch of Inter classes. Maximum marks ever attained in Arifwala by any student at F.Sc Level before the year 2016 were 1016. Punjab College Arifwala Campus' two students, Afifa Zubair and Taqveem un

Nisa broke this record by attaining 1023, 1027 marks respectively. Keeping in view the increasing number of students willing to get admission in Punjab College Arifwala, we are constructing a new campus to meet the educational requirements of the area. We are proud to have earned the parents trust and accolades. Our success lies in devotion, commitment and parents liaison. The first result of Punjab College Arifwala was outstanding.

Our main focus is a holistic environment through a mix of curricular and extra-curricular activities where each student could unfold his potential to achieve excellence in the field of his choice.

## Punjab Colleges Bhimber

Bhimber is the southernmost town of Azad Kashmir and borders Occupied Kashmir to the east. This area is very rich of archaeological remains. It lies on the route that was followed by the Mughal Emperors for their frequent visits to the Kashmir Valley. Until the late 1970s, the main profession of the people was joining Army and since then, the trend has shifted and increasing numbers have emigrated, particularly to the United Kingdom. People are trying their best for better livelihood and better education for their children.

Bhimber is a thickly populated area and it was in dire need of a dynamic educational setup

to meet the growing demands for a college providing quality education not only to the local students but also the students coming from the adjoining areas. The inception of Punjab College Bhimber is actually a token of realization of the sentiments of the students and their parents. It plays a vital role to groom younger generation of this area in different disciplines, keeping in view the religious, cultural and social norms. There are separate campuses for boys and girls. The college campus is grand, splendid and unparalleled in the territory. It is located in a pollution-free environment and encourages the students to devote themselves in studies and experimental

learning in fully-equipped, air-conditioned Computer, Biology, Chemistry and Physics laboratories. Conceptual knowledge is focused through content-based animations in Biology, Chemistry, Physics and Mathematics. Highly qualified and professional faculty is always ready to resolve the academic problems of students with keen vigilance. ## Punjab Colleges Burewala

Burewala is a fertile land in agriculture, diverse industries, rich labour and educational institutions. The land of Burewala though rich for the opportunity of education, the richness was further glorified and magnified by the addition of Punjab College in the ongoing hub of Burewala. The knowledge seekers have been eagerly looking for the institution like Punjab College for so long and the foundation of Punjab College at Burewala translated their dreams in the truest sense. For the first time in Burewala, this college laid foundation of knowledge-oriented education for the grooming of the students.

The college maintains a conducive environment through a well-disciplined, coherent and organized setting in the premise. Discipline has never been compromised because the administration of the institution feels that education void of discipline is as if a body devoid of soul. The college also facilitates the students with pre-session classes so that vacuum of their time may be filled with the healthy educational

activities.

Recently, our talented students, Haniya Akhtar Anjum has secured 2nd position and Samreen Gull has secured 3rd positions in Pre Engineering in the annual results of BISE Multan. In 2016, our brilliant student, Aqsa Sadiq topped the board by securing overall first position in BISE Multan whereupon Punjab College awarded her with a brand new car. In addition, our another excellent student, Sana Ahmad has achieved a milestone by securing 2nd position in B.Com Exams (2016) of Punjab University.

The recent commencement of M.Com classes has provided the students with door-

step higher education. The students of this institution are privileged every year with distinctive positions in their curricular and co-curricular activities. The college also offers transport facility to the students from their homes to college.

The college arranges curricular and co-curricular activities so that the students may nourish their inner and outer personalities. The college has also started ADP (Associate Degree Program) and ADS (Associate Degree in Science) to make students face the challenges of current scenario. These classes are useful for students to equip themselves with the modern research in the field of commerce, IT and Business Administration.

## Punjab Colleges Chawinda

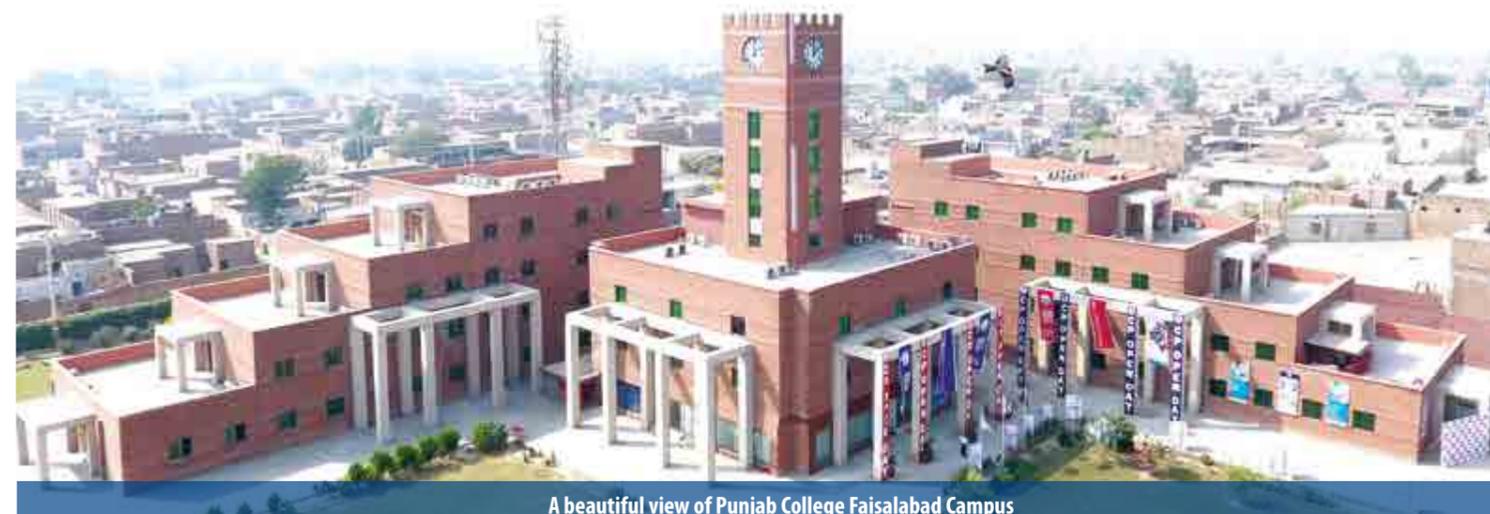

Chawinda is a town of the Tehsil Pasrur, Sialkot District in the Punjab Province of Pakistan. It is located North of Pasrur and South East of Sialkot.

The city has two government boys' high schools and a social security welfare school both for girls and boys, one Boys Degree College, one Girls College, a Government Rural Health Center. The residents of this comparatively remote city were unlucky as there was no such institution that could cater the need of the students for quality education in the field of commerce and

science. Establishment of Punjab College Chawinda is a relief for the needy and ambitious students and their parents. The college is housed in a purpose-built campus on an area of two acres. It is equipped with well-stocked library. Well-equipped, state-of-the-art Biology, Chemistry, Physics labs have been strengthened with content-based learning. The classrooms are air-conditioned. College faculty is experienced, committed and duty-conscious. The college is affiliated with the Board of Intermediate and Secondary Education Gujranwala. The college organized a number of co-curricular

and extra-curricular activities for its students like cultural festival, welcome parties study tours to Murree and PC Lahore, music concerts and sports gala.

In the Farewell Parties to Inter Part II, B.Sc Part II and B.Com Part II, Prize Distribution Ceremonies were also held in the best venue of Sialkot city. Students got medals and certificates on their outstanding achievements.

## Punjab Colleges Chakwal

Punjab College Chakwal, situated at Bhoun Road, Chakwal, is a new addition in the illustrious chain of Punjab Colleges Network. Its foundation stone was laid in September, 2010. The college has made a significant contribution to the educational institutions of the district. Round the clock vigilance is observed to maintain its qualitative look and cleanliness.

Our major focus is on the disciplines of science and commerce, upto graduation level. We have inducted traditionally brilliant and prospectively forthcoming devoted teaching faculty. In the preceding session, teaching faculty was provided a chance to polish its academic skill and cater to its aesthetic needs

by attending a specially organized workshop, spanning over two days.

Punjab College Chakwal is offering F.Sc, I.Com, ICS, B.Com, B.Sc, ADP (Associate Degree Program in: Accounting Finance, IT & Computer Sciences), ADS (MMP & BZC), BS Botany, BS Chemistry, BS Physics, BS Computer Science, M.Sc (Chemistry & Botany), M.Sc IT, M.Com.

The administration of Punjab College Chakwal has launched an independent campus at Chakwal for Graduate & Post Graduate Classes in a commodious, purpose-built building, situated at By-pass Bhoun Road Chakwal.

Being fully aware of the significance of co-curricular and extracurricular activities, the college management encourages its students to participate in the speech contests (Urdu and English) held at district and division level. By the Grace of Almighty Allah, our students have been winning laurels at both levels.

Keeping in view the glorious track record of the former champions of this college, our young players clenched the coveted top position in cricket as well as football tournament, held at district level in the academic session 2016-17.

In academia as well, our illustrious students have touched enviable heights. Miss Rida

Nawaz, the pride and asset of this college, won glory for her Alma Mater by outscoring all the candidates appearing in F.Sc Annual Exam of the Rawalpindi Board. She stood first in the Medical Group (Girls) in the year 2014. Mr. Umar Farooq, a student of this college, stood 4th in F.Sc Engineering Group in the Annual Exam of Rawalpindi Board, held in 2014. Another radiant star of our firmament, Mr. Hassan Nawaz, clenched Second Position in Best English Essay Writing Competition, held in the sequence of Punjab Youth Festival. Obviously, this position was achieved by him at the Province level.

Following the suit of her senior college fellows, Maleeka Zammurd Khan, our brilliant student, added another feather to the cap of her Alma Mater by clenching 3rd Position (Medical Group) in F.Sc Annual Examination 2016, held by Board of Intermediate & Secondary Education Rawalpindi. Her two elder sisters, also former students of this college, are reflecting light of this Beacon House in King Edward Medical College, Lahore.

Towing the line of their illustrious fore-runners, the succeeding lot of our meritorious learners has resolved to keep the flag of

the college flourish in the highest heavens. "Ms. Summaya" outclassed all the fellow candidates appearing in B.Com (IT) Exam (2017 Annual). She notched the first position in University of Sargodha and added one more colorful plume in the cap of her alma mater. Another gem of this quarry "Ms. Sanbil Javaid" got 1st Position in Pre-Medical Group. This landmark was achieved by her in Inter Exam of Rawalpindi Board in 2017. We are sure our incoming students will keep on making new records and breaking the old ones, Inshallah!

One of our 1st year student Murtaza Shafi, got a gold medal in All Punjab Junior Badminton Championship. The college organizes Science Model Competition each year to strengthen the conceptual knowledge of the students. We often organize motivational lectures to stimulate the students for higher aims.

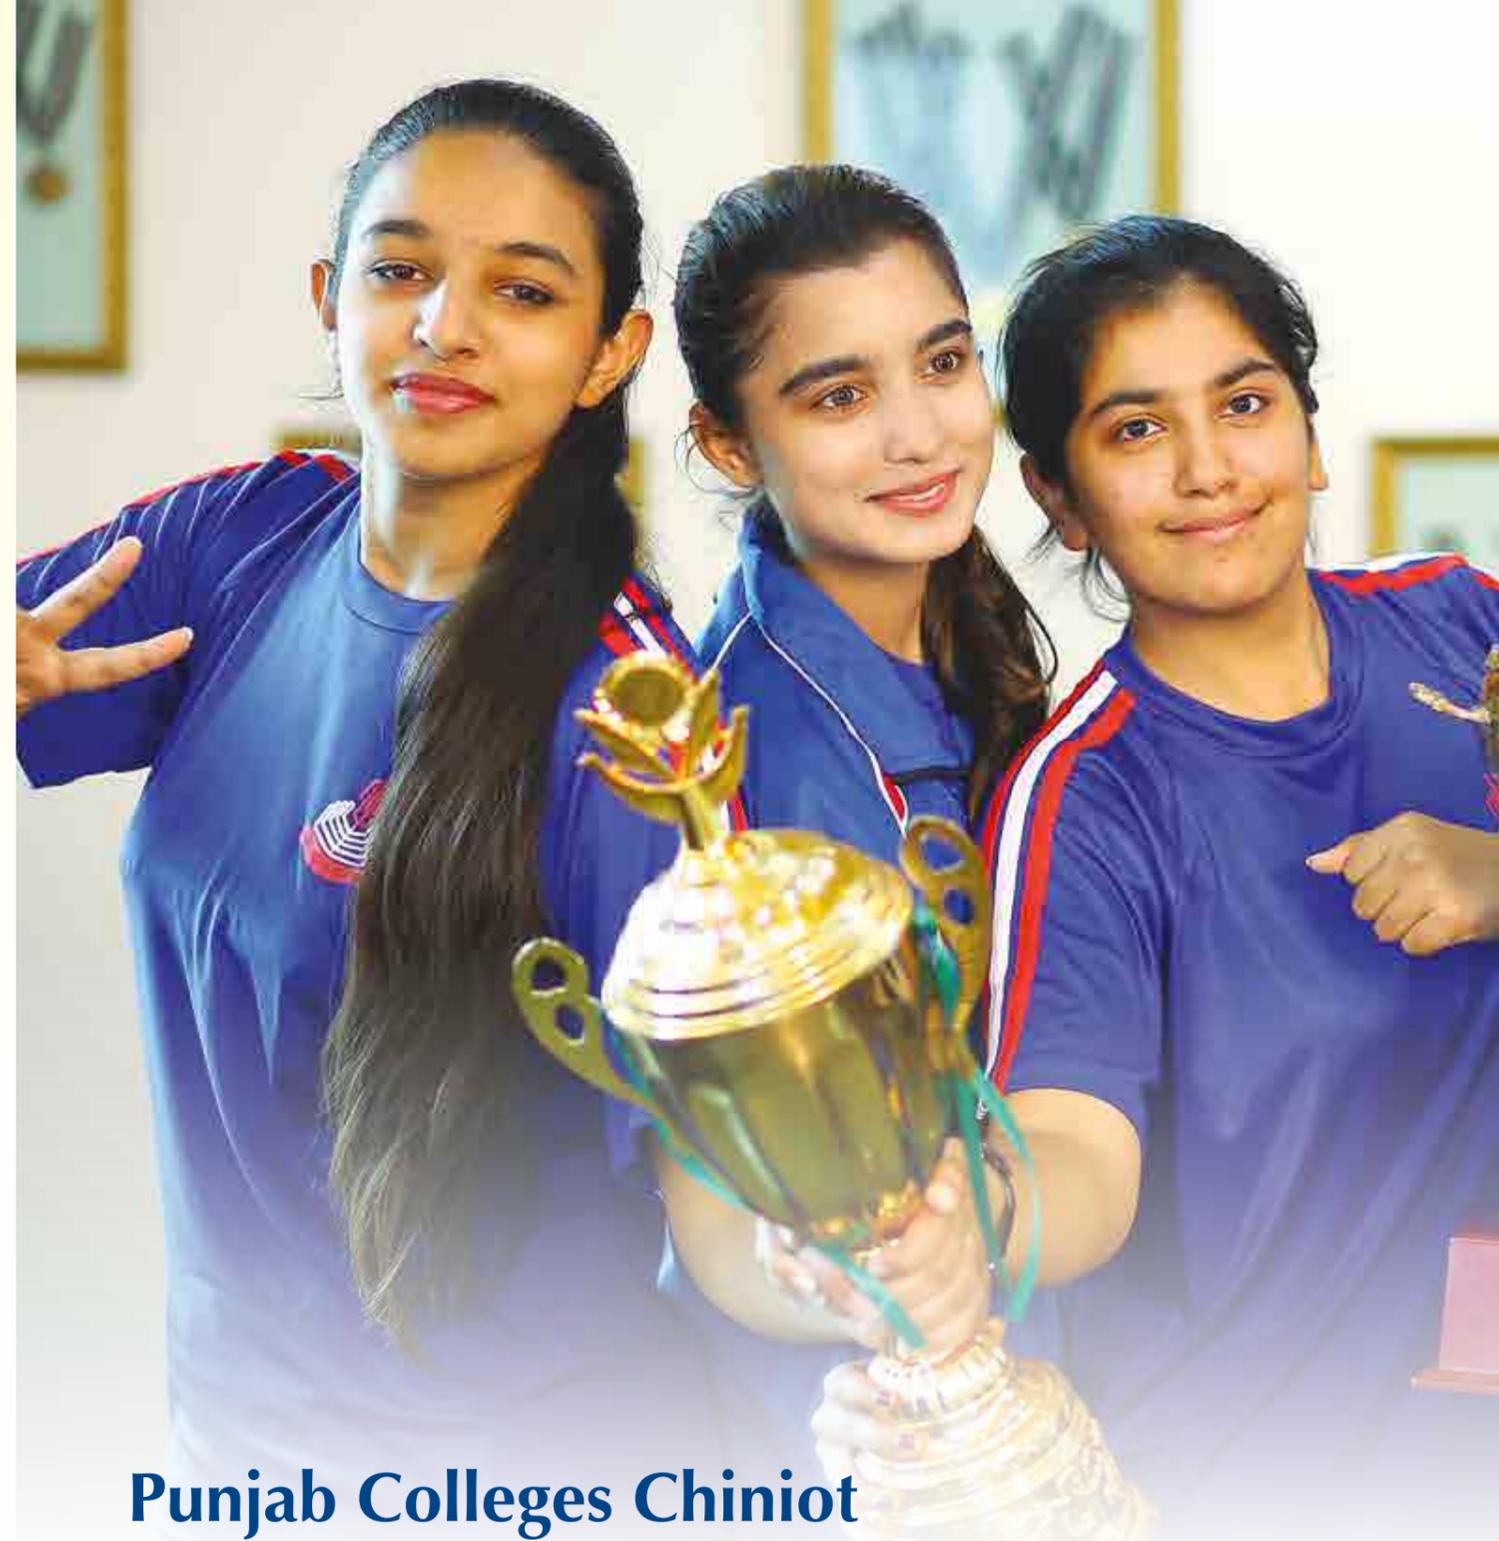

We are innovators in this area for result oriented, competitive and purposeful teaching and learning. We organize STAR OF CHICHAWATNI competition for the students

of Matriculation based on 100 MCQs regarding their syllabus in February to boost their skills and results. Our expert team works for it and we give cash prizes to the winners.

The college arranges free extra coaching classes for those students who feel deficiencies in their concerned subjects. Similarly, free summer camp is also arranged for the students who are waiting for their matriculation results.

This year, we are crossing another milestone by launching STEP (Strategic & Tactical Entry Test Preparation) Classes for the benefit of students in our campus here. Students can also learn all features of this program through Free Mobile App "STEP by PGC."

The college organizes a number of co-curricular and extra-curricular activities on regular basis like Cultural Festivals, Welcome Parties, Study Tours, Music Concerts, Sports Gala, Farewell Parties, Prize Distribution Ceremonies, Mushaira, Quiz Competitions, Mehfil-e-Naat, Fun Fair and Bonfire for its students to uplift their hidden talents.

## Punjab Colleges Chiniot

Punjab College Chiniot was established in 2011. The core reason for setting up this institution was the absence of a standard institution of the kind that could meet the growing challenges in the field of commerce, science and technology. Consequently, the management of Punjab Colleges established its Chiniot Campus. The campus is purpose-built and located in the lush green pollution free area in front of the canal.

It is affiliated with the Board of Intermediate and Secondary Education, Faisalabad.

All classrooms are air-conditioned and nicely furnished. There are well-equipped Biology, Chemistry, Physics and Computer laboratories for imparting sound practical knowledge of these subjects. Teaching of Mathematics and all science subjects is facilitated by three dimensional content-based animation. The library has a rich stock of latest books and research material to develop the reading habits of our students. The faculty is highly skilled and committed to the cause of quality education.

The college supports co-curricular activities along with curricular programs. Last year, our students participated in the Chief Minister's Youth Festival and got 1st positions in Milli Nagma, Urdu Debate, Table Tennis, English Essay Writing, English Debate, Singing, Badminton, Athletics, Chess, Home Dressing and Snooker at District level Competition and 2nd position in Milli Nagma, Speech and Essay Writing at Division Level Competition.

## Punjab Colleges Chishtian

Chishtian is basically an agricultural city and famous for producing high quality cotton crop. The city is surrounded by many industries including sugar, paper, rice and cotton. It is also the business hub of the area.

Keeping in view the dire need of ambitious students of the area and their parents, the management of Punjab Group of Colleges opened an institution in 2011. The purpose-built, spacious and air-

conditioned building of the campus in the healthy atmosphere of Chishtian is located on Bahawalnagar Road Chishtian. The staff comprises of highly qualified and trained professionals. The Computer and Science Labs are richly equipped to strengthen the practical backgrounds of our students. The library stock is a beautiful mingle of rare and updated books of Sciences, Literature, Commerce, Art, Humanities and different journals and magazines.

The college is affiliated with BISE Bahawalpur and has a unique distinction of being affiliated with Islamia University for B.Com and B. Sc classes.

Punjab College Chishtian started its session in Sep 2011 by a mega event namely "Welcome Party" accompanied by different skits and plays performed by the students. Keeping in view the importance of pleasure trips for full mental growth of the student,

Punjab Group of Colleges Chishtian arranges a pleasure trip in the academic year and the Punjabians enjoy the exquisite of the nature.

To reward the students for their exceptional academic performances, Punjab College Chishtian arranged Prize Distribution Ceremony for the students who won laurels in 1st year and held distinctive positions.

It is a proven fact that a healthy body possesses a healthy brain. The sports regresses body and mind and work on a deterrent against many evils. Punjab Groups of Colleges held Inter colleges Tournament including a "Cricket Mela". The Punjabians took part with great zeal and zest and exhibited their exuberant talent and skills in these events.

Overall, the college has shown a vital and vigorous role in all the curricular and co-curricular activities to enhance the tempo of the students.

The aim of Punjab college Jand is to impart quality education. In the annual examination 2017, Punjab College Jand achieved tremendous result in the BISE Rawalpindi. All people, notables and parents of the students have appreciated the committed efforts of all teachers and

the Principal. Besides, there are greater opportunities of extra-curricular activities, as sports and games play an important role in the lives of students. Games help to channelize the energies of the students in constructive activities. In this regard, Sports Gala, Music and Fireworks programs are conducted regularly. There is a tradition in Punjab College Jand that the junior students give a farewell party to the senior most and outgoing students. The aim of conducting these jubilant activities is the overall development of the personality of our students. Punjab College Jand is not only taking care of the studies of students but also taking care of their character building, mind and body.

Moreover, Punjab College Jand inculcates

among the students a sense of discipline. It also creates a spirit of healthy competition and team work. Punjab College Jand has faculty members of higher academic caliber and experienced administrative staff. It has the Boarding and Mess facilities with minimal charges for the faculty members and students. Medical facilities are also provided under the close supervision of Hostel Warden and associated staff. Extra coaching is conducted free of cost. Parent-teacher meetings are being conducted for appropriate counseling of the students with the intent to improve their weaknesses. Likewise, Career orientation programs are also held to calibrate the students for the best options of their career in order meet the future challenges.

## Punjab Colleges Jaranwala

Jaranwala is the Tehsil headquarter of district Faisalabad which consists of 57 union councils, the biggest Tehsil headquarter in Pakistan. It is situated at a distance of 35 kilometers south-west of Faisalabad and 25 kilometers west of District Nankana Sahib. Jaranwala is about 400 year's old city. It's economy is primarily based on agriculture and the major crops of the area are sugarcane, wheat and rice.

The non-availability of an institution imparting quality education in the discipline of commerce and science was big concern for the ambitious students and their parents in Jaranwala. Consequently, the management of the Punjab Colleges established a college in a purpose-built campus. It is located on canal road and its approach is convenient not only for the students coming from different parts of the city, but also for those coming from the adjoining villages. All class rooms

are air-conditioned. Our Biology, Chemistry, Physics and Computer Laboratories are adequately equipped. In order to encourage knowledge-based learning, teaching in Mathematics and different disciplines of science are supported by content-based three-dimensional animations. The college faculty is highly qualified, experienced and devoted to imparting quality education to younger generation. Students' attendance is monitored regularly. Parents are also taken on board about the performance of their children. Students Counseling Service offers support and guidance to the students when they are under stress and lose interest in their studies.

The College is affiliated with the Board of Intermediate & Secondary Education Faisalabad, Punjab University Lahore, University of Central Punjab Lahore and Government College University Faisalabad to teach Graduation and Master Classes.

To give a break to students from their hectic academic routine, the college arranges a number of activities. These extra-curricular activities include Quiz Programs, Mehfil Hamd-O-Naat, Debates, Cultural Festivals, Trips to important and historical places, Welcome and Farewell Parties and Sports Gala.

## Punjab Colleges Kallar Syedan

Kallar Syedan is a tehsil of Rawalpindi District at a distance of 42 kilometer from the district headquarter. The soil from this area is fertile but all agricultural activities depend on seasonal rains. A good number of people from Kallar Syedan are working abroad and are a source of our foreign exchange.

There was hardly any institution imparting quality education in the fields of commerce and basic sciences in Kallar Syedan and the students had to travel to Rawalpindi that consumed almost three hours daily. This concern of the students and their parents inspired the management of Punjab Group of Colleges for the establishment of an institution in 2012 to impart quality education to the growing intellect of this area. The college is situated at Naseer-ud-din

Road, Ittefaq Town near Mureed Chowk in Kallar Syedan.

The campus is purpose-built with a spacious parking area and all classrooms are air-conditioned. The science laboratories, as well as computer laboratory, are furnished with the latest equipment. Teaching in the subjects of mathematics, biology, chemistry and physics have been strengthened with the three dimensional animation to encourage the knowledge-based learning. The teachers are highly qualified, experienced and committed. Purpose-built building of college covers an area of 10 kanals, consisting of 18 classrooms, 3 science labs, 1 computer lab aided with 2 multimedia and one library with a large number of books on different subjects available for students.

The college is affiliated with the Board of Intermediate and Secondary Education Rawalpindi. Today, Punjab College Kallar Syedan provides education to both boys and girls till bachelors level in different subjects. Number of students enrolled in college are 300 with an increasing trend each year.

Present faculty members are making sincere efforts to impart knowledge of ideology of Pakistan to generate a sense of national pride and to develop a spirit of patriotism and loyalty among the students.

Introducing classes up to masters level and to meets higher standards of quality services for the betterment of nation are future plans of the institute.

## Punjab Colleges Kallur Kot

Kallur Kot is the tehsil headquarter of the district, Bhakkar. Kallur Kot is easily approachable from all the surrounding areas by metaled roads. The people of the area are mostly farmers but they have strong desires that their children should get good education. Keeping in view the condition, situation and psyche of the local people, Punjab Group of Colleges decided to establish the college in this area to enhance the living standard of the people through education.

Punjab College, Kallur Kot has a magnificent building and is situated on the most suitable site that is easily approachable. Every room has AC facility and stand-by generators are there to supply non-stop flow of electricity. The

campus has well equipped laboratories, a well stocked library and spacious lawns with plants and flowers everywhere. Concept based teaching supported by three-dimensional science animations is our specialty. The college library has a rich collection of books on various topics and fields. The teaching faculty of the college is highly qualified, experienced and motivated to impart quality education to the students of the area.

Punjab College, Kallur Kot is affiliated with the Board of Intermediate and Secondary Education Sargodha and University of Sargodha. Our results in previous year were excellent at both intermediate and graduation level.

At Punjab College Kallur Kot, curricular, co-curricular and extra-curricular activities go side by side. Parent-teacher meetings are held to discuss academic and non-academic progress of the students. Study tours are arranged for students to have a natural and biological eye view of Murree and its surrounding areas. Extra-curricular activities include Mehfil-e-Naat, Sports Gala, Color Day, Environment Day Walk, Dengue Awareness Walk, Blood Donation Camps, Seminar by Health Department on Mother's Health, Seminar by Highway Department about Road Safety, Welcome and Farewell Parties.

Our future plans are to start M.Com./ADP/BS CS/MCS/BCS/BBA/MBA.

## Punjab Colleges Kasur

Punjab College Kasur Campus is located at Ganda Singh Road covering an area of more than 20 Kanals. The college contains thoroughly separate campuses for boys and girls along with an Administration Block. The campus is equipped with all essential amenities for modern education including air-conditioned classrooms, fully-adorned science and computer laboratories, library and internet facility.

The college provides transport facility to Mustafabad, Kasur City, Khudian Khas, Ellah Abad (Theengh More) and other adjacent areas. At present, the Kasur Campus is offering Intermediate courses (F.Sc. ICS & I. Com) and is affiliated with BISE, Lahore, whereas

teaching in B.Sc and B.Com is affiliated with the University of the Punjab, Lahore. Our new projects are ADP, BS (Hons).

The college has highly-qualified and seasoned faculty members. By the grace of Allah Almighty, Kasur Campus bagged two positions in BISE Lahore in its very first Annual Intermediate Examinations 2013 in Pre-Medical & Pre-Engineering as well as got three positions in District Kasur in B.Com Examinations.

In Punjab Youth Festival, Kasur Campus managed to secure twenty positions at District & Divisional level, captured numerous positions in co-curricular pursuits like Essay-

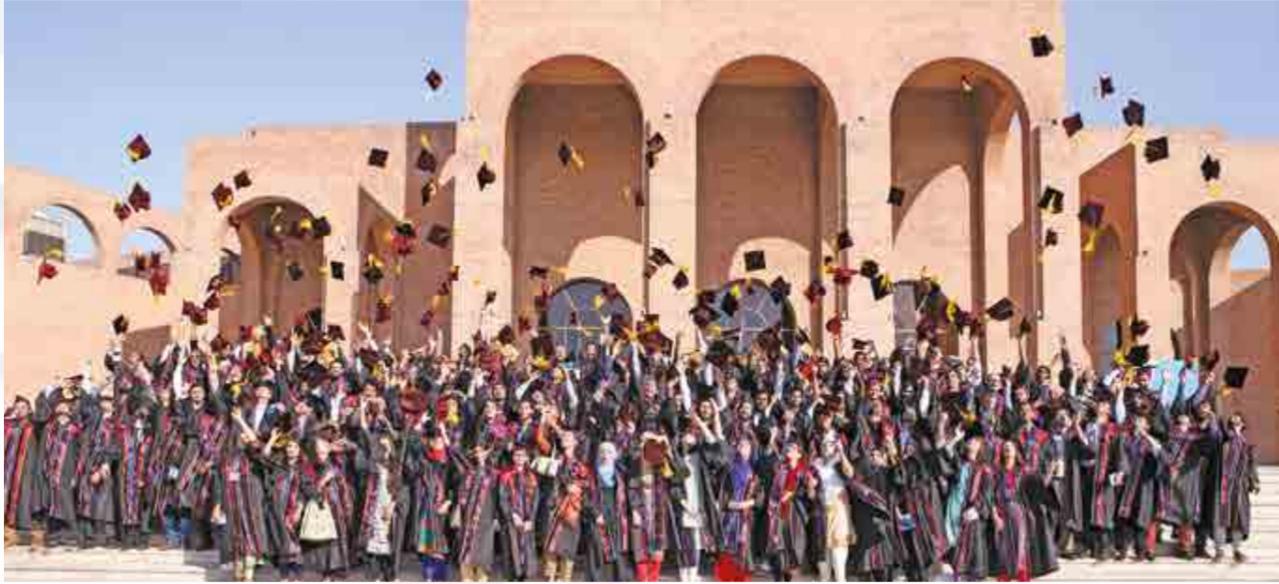

Writing, Debates and many other literary activities. Similarly, in extra-curricular activities, our students secured positions in Cricket, Football, Body-Building, Tug of War and many other games. All of these positions and achievements of Kasur Campus speak volumes for its diligence and its assiduousness.

At present, Kasur Campus is enjoying the strength of almost three thousand students as well as its one thousand alumni who passed with flying colours and are receiving quality education in various educational fields in well-reputed medical and engineering institutes. Undoubtedly, all of those things indicate the hallmark of the quality education of Kasur Campus.

## Punjab Colleges Kamoke

Kamoke is a Tehsil headquarter of District Gujranwala and located on the Grand Trunk Road. Keeping in view its significance as a potential center for commercial and business activities, Punjab Group of Colleges decided to set up its Kamoke Campus in 2010. By the Grace of Allah, it has earned a strong, dynamic reputation for its delivery of quality education in commerce & science.

The College is affiliated with B.I.S.E Gujranwala, Punjab University and University of Central Punjab for its courses.

Punjab College Kamoke is located in a purpose-built campus consisting of admin building, separate staff-rooms for male and female professors, classrooms, science labs, computer labs, and a well-equipped library. It is a great honor for the campus that a very attractive mosque is a great addition in the college to fulfill the spiritual desires of every one. The campus provides high-quality education to the youngsters of the city. In addition to this, the campus is approachable by almost 132 villages and towns to fulfill the thirst of the knowledge which is a great blessing for these backward areas. Our computer labs are well-

equipped with latest version of computers, multimedia and 24 hours internet facility. It focuses on career counseling, parent-teacher meetings and day to day interaction with the parents.

It is a great spiritual distinction for the campus that two Umrah Packages have been offered to selected members of staff by the college management.

The college offers F.Sc (Pre-medical and Pre-engineering), ICS, I.Com, F.A, B.Sc., B.Com, B.A., M.Com, ADP, ADS, MDCAT and ECAT classes.

تدبیر کے برابر کوئی عقل نہیں ہے۔ (بیہقی)

The campus also offers free summer camp for pre-activeness of teenagers with study in leisure mood including different kinds of activities.

There are many co-and extra-curricular activities in order to enhance every type of talent in students. Sports Gala, Mehfil-e-Milad, Welcome and Farewell Parties, Recreational Tours, Prize Distribution Ceremonies are held from time to time during the academic session each year. Cultural Festivals known as Pandoo Day, Cultural Day, National Song Competition and Jeans Day are the dynamic innovations for the inherent mood of the students.

Keeping in view the ever-increasing demand of the area for quality education, PCC is conducting M.Com classes under the umbrella of University of Central Punjab. It is a great honor that Post Graduation Ceremony was held in Falettis Hotel Lahore to award the degrees to M.Com students. In this high prestige convocation, Commerce Faculty Professors were also awarded honorary shields for their encouragement and salutation of their utmost efforts.

The story of growth, by the grace of Allah Almighty, has been phenomenal. Our vision for the future is defined by realism and spirit. Having remarkable pace towards the successful story of glory, Punjab College Kamoke is going to launch the prominent and admirable programs such as MBA, ADS, BS Engineering and BBA according to the demands of future aspects. Furthermore, to fulfill the thirst for Linguistics and Literature, another program MA English is also going to be launched for the nourishment of souls.

## Punjab Colleges Khanewal

Khanewal is an agricultural city located on Pakistan's cotton belt. Khanewal is notable for being the host city to the second largest train station in Pakistan. Punjab College Khanewal was established in 2010. It has been a success from its very inception. The college has all the facilities necessary for quality education. All the classrooms are air-conditioned and multi-media systems enable teachers to communicate effectively. The highly qualified faculty assists the students to prepare them for future challenges. The campus has the latest facilities.

The Khanewal Campus has set new standards for quality education and has become a Center of Excellence. The college is exacting about regular class work, exemplary discipline, and assistance from faculty and staff to assist students in every possible way. As a result, the college achieves a number of positions in BISE Multan.

As with our other campuses, co-curricular activities are a hallmark of Punjab College Khanewal. The College emphasizes the significance of combining quality education with the joy of learning by conducting regular

Quiz Programs.

The College holds different types of literary activities during the session. Annual Sports & Mehfil-e-Naat, Quiz Programs, Bonfires, Music Gala and Cultural Festivals are the regular features during the academic session of the college. At the end of the first send-up examination, students also go on a recreational tour to Murree. These tours are a great source of recreation and refreshment before their final exam. All the students enthusiastically participate in such programs.

## Punjab Colleges Kharian

Kharian is a Tehsil of Gujrat District, which is surrounded by a number of villages and towns. The growing demands from the inquisitive students and their concerned parents from the popular Tehsil for a prestigious institution which can meet the challenges of the modern time. The management of the Punjab Group of Colleges took a wise and long term strategic step and established one of its branches at a very commercial location. Keeping in view the modern trends and needs of education, the management established the purpose-built campus consisting of fully air-conditioned classrooms, modern science and computer labs with fully equipped library.

The college has highly experienced, young and passionate faculty with Masters, M.Phil leading to PhDs degrees. Due to its justifiable reputation, a significant number of students have been enrolled in F.Sc, FA, I.Com, B.A, B.Sc, B.Com, A.D.P & M.Com.

The management of the campus has the vision to engage the students in co-curricular activities with a view to unveil their hidden talents and qualities by organizing the different healthy co-curricular competitions on bi-monthly basis i.e. Quiz Competition, Speech Competition, Declamation and Parliamentary Debate Competition, Sports Competition, Naat

and Qirat Competition. The college conducts cultural festivals in line with literary activities during the session.

Students of the college also taken part in competitions held by Govt. Educational Departments at Divisional level and won competitions with distinctions.

The classroom environment of Punjab College Kharian is highly hi-tech, equipped with multimedia and fulfilling the 21st century challenges.

## Punjab Colleges Khanpur

Khanpur is the largest tehsil of District Rahim Yar Khan in terms of area. The largest part of famous Cholistan desert is located in this tehsil. Sugarcane and Cotton are the main agriculture crops. Khanpur used to enjoy the status of Nizam/District until 1938 under the state of Bahawalpur in the British Era.

The academic environment is very challenging as aspiring students are forced to travel far off cities to get themselves enrolled into institutions imparting quality education.

The people of Khanpur are thankful to the Chairman, Mian Amer Mehmood, for opening a campus of Punjab Group of Colleges to provide quality education to this remote area of South Punjab.

Khanpur is basically an agricultural city and famous for producing high quality cotton crop. The city is surrounded by many industries including sugar, rice and cotton. It is also the

business hub of the area.

Keeping in view the dire needs of the ambitious students of the area and their parents, the management of Punjab Group of Colleges opened an institution in 2017 with a purpose to offer quality education and prepare the students to testify the flourishing needs of local economy.

The purpose-built, spacious and air-conditioned building of the campus in the healthy atmosphere of Khanpur is located on By Pass Road Khanpur. The staff comprises of highly qualified and trained professionals. The computer and science labs are richly equipped to strengthen the practical backgrounds of our students. The library stock is a beautiful combination of rare and updated books of sciences, literature, commerce, art, humanities, and different journals and magazines.

The college is affiliated with BISE Bahawalpur

and has a unique distinction of being affiliated with UCP for ADP and ADS classes. We are also planning to launch BS classes in different subjects i.e. Zoology, Botany, Chemistry, Physics, Mathematics, Economics, English, Computer Science and BBA etc.

Punjab College Khanpur started its session in September 2017 by a mega event namely "Welcome Party" accompanied by different skits and plays performed by the students. Keeping in view the importance of pleasure trips for full mental growth of the students, Punjab College Khanpur arranges pleasure trip in the academic year and the Punjabians enjoy the exquisite nature in Murree.

Educational psychology acknowledges the importance of prizes as a stimulus for learning, so Punjab College Khanpur arranged Prize Distribution Ceremony for the students who won laurels in "Brain of Khanpur" Self-assessment Test.

## Punjab Colleges Kot Addu

The management of Punjab Group of Colleges deemed it quite appropriate and apt to initiate and inaugurate its campus at Kot Addu, keeping in view the dire needs and yearnings of this locality. Punjab College Kot Addu is capacitated and housed in a deliberately purpose-built, spacious campus. The classrooms, labs are well-lit, air-conditioned, well-furnished, aptly-equipped and adorned with all the paraphernalia needed for the syllabi being imparted and taught.

As per the necessity and demand of its social and ethical norms, the campuses for boys and girls are quite apart and separate. The faculty members are well-qualified, experienced and indomitably convey education par excellence. The pedagogy in the disciplines of mathematics and sciences is equipped and strengthened by employing content based

three dimensional animated material to impart lore based learning. We are very austerely and ardently committed to authenticate that sort of environment that the college could boast as being matchless in the history of the academic institutions of this locale. By ascending with the cadre of highly motivated, agile and qualified teachers along with ever new teaching methodologies, the college aims at nothing but touching the peak of the hierarchy of teaching excellence.

As for the academics, Allah Almighty has again blessed us with three positions i.e. Fiza Ali getting 1st position (Pre-Engineering Group) in D.G Khan Board in 2013. The next one is Ahsan Muneer having 2nd position in BISE D.G Khan and the third one is Mujeeb Aslam, securing 3rd position in the same Board.

This is the testimony of the efforts of our teachers that they proved their diligence as in the result of 2012 when we got three names Javeria Manzoor, Amna Fazal and Ishrat Fatima respectively in the first, second and third positions in BISE D.G Khan. Punjab Group of Colleges Kot Addu Campus awarded a key along with a car to Javeria Manzoor.

To groom the mental and physical health of the students, extra-curricular and co-curricular activities are equally encouraged. During the year, the students are encouraged to participate in different events like welcome and farewell parties, sports gala, quiz programs, color day, cultural festival, and concerts. These activities help to polish and groom the personalities of the students and enables them to discover their talents in all walks of life.

## Punjab Colleges Kotli

Kotli is an important and vital district of Azad Jammu and Kashmir of the sub-continent. The strong desire of the parents in Kotli who are mostly residing in England, had always wanted to get their children educated in an excellent academic institution. The opening of Punjab College at Kotli brought a sigh of relief to its inhabitants.

The Punjab College Kotli is situated at a place which is easily accessible to the city-residents and students of surrounding towns (Tatta Pani, Nakayal, Sehnsa and Khuriatta Areas) through public transport and college free transport because Kotli is a hub of all educational activities of surrounding areas. The college has all modern equipments, well-furnished air-conditioned classrooms with modern Computer and Science Laboratories, enriched library, bookshop.

To facilitate the college students, boys and girls' hostels have also been established separately to accommodate the students from far flung areas. Sports gala, seminars, quizzes, debates and conferences, welcome and farewell parties at the campus have become the talk of the town.

In the academic year 2015-16, we got

remarkable positions in academics as well as in co-curricular activities. Sayyeda Aneesa Bukhari got 2nd position in B.Sc AJK University Muzaffarabad Examinations and got cash prize with Gold Medal from Punjab Group of Colleges. Rabiya Sagheer got 1st position in Distt Kotli and 3rd position in AJK University Muzaffarabad in B.Com Examinations and got cash prize along with Gold Medal from Punjab Group of Colleges. In Intermediate Examinations Results 2016, Iqra Fareed secured 2nd position in Pre-engineering Group and won Gold Jewellery set and Irshad Khan secured 2nd position in I.COM and won a 70cc motorcycle.

Punjab College Kotli presented Gold Medals to its all Board position holders in a ceremony in which Sardar Attique Ahmed Khan (Ex-Prime Minister AJ&K) was the chief guest. Our college speaker Usman Tariq secured 1st position in all Azad Kashmir Speech Contest. Furthermore our students, Sumair Ali Qadri (Pre-Medical Part-I) and Afaq Bukhari (I.Com-Part-II), both secured 3rd position in 10th Seerat-Un-Nabi (PBUH) Scouts Competition in all AJ&K.

## Punjab Colleges Lalamusa (For Women)

Lalamusa is a town of district Gujrat located on N5 GT Road leading towards Jehlum. The city is named after a person Musa and Lala means elder brother. A railway junction built in 1880 on main track connects Lahore to Shorkot and Rawalpindi. Local government training academy is also situated in Lalamusa. The city encompasses all the important necessities and facilities of life including hospitals, schools, colleges and markets.

Due to insufficient educational facilities, the students had to pursue their college education in neighboring cities of Gujrat

and Kharian; a problem for female students. The managing fabric of the Punjab Group of Colleges deemed it quite appropriate and opted to establish and inaugurate its female campus at Lalamusa keeping in view the dire needs and yearning of the local population.

Punjab College Lalamusa is housed in a purpose built spacious campus. The college has all the modern equipment in laboratories; well-furnished air-conditioned classrooms, well-stocked library, a bookshop and a canteen. Strictly monitored and examination oriented academic deliveries by qualified,

experienced and dedicated faculty members make this campus a matter of choice by the prosperous students of the town. The college offers conducive environment, quality education and other opportunities to students to groom their skills through sports and co-curricular activities. The trusted brand will keep on encouraging and enhancing the intellectual potential of the overseas born students and natives as well. Punjab College, for women, Lalamusa is affiliated with Board of Intermediate and Secondary Education for teaching at intermediate level.

## Punjab Colleges Layyah

The managing fabric of Punjab Group of Colleges deemed it quite appropriate and apt to initiate and inaugurate its Campus at Layyah, keeping in view the dire needs and yearnings of this locality. Punjab College Layyah is capacitated and housed in purpose-built spacious campus. The classrooms, labs are well-lit, air-conditioned, well-furnished and aptly equipped and adorned with all the paraphernalia needed for the syllabi being imparted and taught.

As per the necessity and demand of its social and ethical norms, the campuses for boys and girls are quite apart and separate. The faculty members are well-qualified, experienced and indomitably convey education par excellence; as is undebatable notability of Punjab Group of Colleges. The pedagogy in the disciplines of mathematics and sciences is equipped and strengthened by employing content-based three dimensional animated material to impart

lore based learning. We are very austerely and ardently committed to authenticate that sort of environment that the college could boast as being matchless in the history of the academic institutions of this locale. By ascending with the cadre of highly motivated, agile and qualified teachers along with ever new teaching methodologies, the college aims at nothing but touching the peak of the hierarchy of teaching excellence.

As for the academics, Allah Almighty has again blessed us with three positions i.e. Noor Fatima getting 1st position (Pre-Medical) in D.G Khan Board in 2015. Nabihah Fatima got 1st position in BISE D.G Khan in Matric in 2015 and Aneela Younas notched 1st position in Commerce in the same Board in 2013. Muhammad Ajmal got Overall 1st position in B.Com in 2015 and Gul Saba and Aneela Younas got 1st and 3rd positions in G.C. University Faisalabad in 2013 and 2015 Respectively

Punjab College Layyah was honoured to have 1st position in CM Essay Competition at Division level in 2016 and also got 1st position in Music in 2016.

To groom the mental and physical health of the students, extra-curricular and co-curricular activities are equally encouraged. During the academic year, the students are encouraged to participate in different events like welcome and farewell parties, sports gala, quiz programmes, color day, cultural festival, and concerts. These activities help to polish and groom their personalities and to enable them to discover their talents in all walks of life.

## Punjab Colleges Liaquatpur

The Punjab Group of Colleges is dedicated to the cause of education and has proven its experience and excellence through its students' achievements. The Group provides a stimulating and supportive environment which focuses on the power of the individual by developing each student's maximum potential. The latest teaching methods and technology makes Punjab Group of Colleges prominent in the whole country.

Punjab Group of Colleges has established its campuses in the areas where people were in crave of quality education for their children and had to shift their families to the bigger cities for this purpose.

Punjab College, Liaquatpur Campus was established in 2012. Liaquatpur is a small city and the part of Cholistan desert. It is the biggest market of jaggery (Gurr) in Asia. The people are talented, energetic and hardworking. Punjab

College, with its impressive building, air-conditioned classrooms and well-equipped labs has proved a blessing for the people of the area.

With the commencement of Punjab College, the students of remote areas like Liaquatpur are no more deprived of the environment and facilities availed by the students of big cities like Lahore and Islamabad. Their dreams of getting quality education under the supervision of highly qualified, well-trained and experienced teaching staff have come true.

Co-curricular activities are the integral part of education and help students not only to explore their hidden talents, but also to enhance their skills and develop their personalities in order to become active and useful part of society.

Punjab Colleges emphasize not only on the

quality of education, but also on character building and personality enhancement of their students.

Apart from marvellous academic achievements, Punjab College provides complete platform for the students to participate in the co-curricular activities and discover their capabilities.

Punjab College, Liaquatpur campus has given a new vision to the inhabitants of the area. Their thinking, ambitions, targets, directions and scopes are changed. Their dreams for better, prosperous, brighter, well-educated and modernized future are transformed into reality.

## Punjab Colleges Lodhran

As a scattered and thickly populated district of Punjab province, Lodhran district was lacking of an excellent educational institute. This deficiency was being observed by local and divisional educationists who were striving for establishing an institute focusing local community educational needs. Lodhran city had a dire need for the establishment of an institute which can fulfil the expectations of society. Punjab Group, according to its culture, instantly responded to the requirements and had started working for session 2015. As a newly established institute, Punjab College Lodhran has been bestowed on excellent intake in its pioneer badge which is more than 500 students. All community members respond positively and have shown their love for learning. There was a dire need of a separate

girls campus which is fulfilled by Punjab Group by establishing a fully air-conditioned campus having all characteristics of curricular and co-curricular activities. The enthusiasm and confidence of the students shows that they are in a comfortable zone. Lodhran campus has an eye capturing two-story building having all facilities for students, beautiful grassy lawn, captivating front fully air-conditioned rooms with CCTV cameras, free of load shedding, prayer area, library and developed science labs and computer lab. Science laboratories of the campus are fully prepared and are according to the syllabus requirements.

Punjab College Lodhran is affiliated with Board of Intermediate and Secondary Education Multan, for Intermediate programs and for

Graduation and Post-Graduation programs, the college is affiliated with Islamia University Bahawalpur.

This campus is offering programs for F.Sc Pre-Medical, F.Sc Pre-Engineering, ICS, I.Com and FA at Intermediate level beside these programs B.Sc program with all combinations is also offered by the college. In upcoming session, ADP, ADS BS programs and Master Programs in various subjects will be announced and administration is optimistic that it will be a great enhancement for the community. The students who travelled towards northern Punjab for higher education will be entertained by highly experienced permanent faculty and learning based environment.

## Punjab Colleges Mailsi

Punjab College Mailsi was established to cater to the educational needs of the students who had to travel to other cities to acquire quality education.

In the session 2017-18, Punjab College Mailsi won the confidence of the parents and the students of Tehsil Mailsi again by presenting an excellent result of Inter and Graduation Classes. Our brilliant student Anmol Fatima got Overall 1st position in Multan Board in F.Sc Pre-medical and received Cash Award of Rs.2,00,000/- from the worthy Director Amjad Akhtar Sial. Rizwan Rasheed stood at 4th position in Multan Board in Boys and received a cash prize. 114 students of Punjab College Mailsi got admissions in professional colleges and universities in the session 2017-18 with 12 students in Medical Colleges and 15 students in Engineering Colleges / Universities. Looking at a glance on overall result of F.Sc Pre-medical, our 12 students got 1000+ marks out of the total students of 244. In the Session 2016-17, Sara Masood Awaisi obtained 1033/1100 marks in F.Sc Pre-medical while putting herself in Top 4 of Multan Board. In B.Sc Zoology, Botany, Chemistry combination, 20 out of 24 students got admission in Punjab University and BZU in different disciplines. Moreover, in B.Sc & B.Com, Punjab College Mailsi secured

top positions in District Vehari.

There are separate campuses for boys and girls. The science and computer Labs are well-equipped to strengthen the practical knowledge of the students. The faculty is highly qualified including members with Masters', M.Phil and PhD degrees.

Previous year's initiative of Entry Test Preparation Classes here at Mailsi had been very important milestone toward Punjab Group of College's educational contribution. It has lightened the financial stress of the parents who used to be burdened for the cost of entry test preparation from the big cities like Lahore, Multan etc. Punjab Group of Colleges Mailsi campus also arranges Entry Test classes. Awareness seminars have also been conducted by the campus to highlight other related Allied Health Sciences (AHS) programs for the students.

Punjab College Mailsi has started the classes of ADP and ADS under the Centre of Professional Studies (CPS) of the University of Central Punjab Lahore from the session 2016. At PGC Mailsi, Associate Degree Programs (in the subjects of information technology, computer sciences and commerce) and associate degree

programs in sciences (Zoology, Botany and Chemistry) have been started under the supervision of University of Central Punjab Lahore.

Our two students have also participated in Intel National Science Fair 2016. Whereas previous year, Ahsan Nawaz, a brilliant student of F.Sc Pre-engineering Part-2 from Punjab College Mailsi secured 1st position owning Gold Medal in Intel National Science Fair 2015 held at Islamabad in March 2015. He has also represented Pakistan in Intel International Science Fair 2015 held in Pittsburgh, America in mid 2015. He has introduced new language in computer named "Ahsan Technique". By getting help from this new technique even a layman can learn, understand, code, and decode it as easily as one two three. Ahsan Nawaz's newly introduced computer language can help in new scientific inventions in Engineering.

Extra-curricular activities include Mehfil-e-Zikro-Naat", Summer Festival, Independence Day, Defence Day, Iqbal Day and Quaid Day Celebrations, Quiz Programs, Bonfire, 3 Days Trip to Murree, Dengue Awareness Workshops, Sports Gala and Security Awareness Mock Exercise of students.

## Punjab Colleges Mandi Bahauddin

Seven years ago, the management of Punjab Group of Colleges envisioned to make a virtue of necessity and established its campus in Mandi Bahauddin. Since then, this campus is playing a key role in conducting its programs and activities. The vision of this college is to integrate knowledge and education, to provide students the skills they need to participate in the knowledge-based society. This college works on the principle of Academic Excellence.

The city of Mandi Bahauddin was deprived of the kind of institution that could lead students to the apex of success in the field of commerce and science. The college is located on Rasul Road which is easy to access not only for the students of the city but also for the students of

the rural area. Classrooms of this purpose-built campus are air-conditioned. The laboratories are well equipped with latest apparatus to meet the needs of practical work. The congenial environment of these laboratories is based on concept learning. The huge college library having latest books is inculcating the trend of book reading among the students.

The college faculty is experienced, dedicated, and devoted. Punjab College Mandi Bahauddin is affiliated with the Board of Intermediate and Secondary Education, Gujranwala.

Brilliant students of Punjab College Mandi Bahauddin secured 4th position in the Punjab province in the ECAT, 2nd position

in Gujranwala Board in Commerce in 2014 and above all, 1st position in Accounting Competition 2015 held at Hailey College of Commerce, Lahore. Traditional set of functions like Welcome Party, Mehfil-e-Melad, Bonfire, Sports Gala and Annual Prize Distribution ceremonies are the remarkable characteristics of the Punjab College Mandi Bahauddin.

College management has revised Student Evaluating System. Students are required to undergo various phases of tests i.e. weekly tests, Monthly tests, Term tests and finally pre-board and pre-university tests. The attendance of students is ensured. A consolidated report after every term test is handed over to the parents during parent teacher meeting.

## Punjab Colleges Mansehra

Punjab College enjoys an individual and leading status as an educational institution in the city of Mansehra. In this city, there was a dire need of quality education for improving students thinking, vision, attitude and skills. To fulfil this need, PGC inaugurated Punjab College in Mansehra in 2015.

Considering religious and cultural values administratively, separate campuses for boys and girls were launched. Punjab College Mansehra has a diverse set of dedicated and experienced faculty members teaching and mentoring students in professional way.

Punjab College Mansehra facilitates its students with quality education in the field of science

and humanities hosting separate campuses for boys and girls. Well-equipped science and computer labs, which are managed for the students to meet the challenges of the modern world, are working under the supervision of highly-skilled professors.

Following international educational standards Punjab College Mansehra Girls and Boys Campuses are fully devoted towards capacity building of youngsters in F.A., F.Sc (Pre Medical and Pre Engineering), and Computer Science fields.

In academics, our students are doing exceptionally well. In Intermediate Result 2017, our student Fatima A. Zeb Tanoli got

3rd position in ICS Group. In co-curricular activities, our students bagged 3rd position in Paper Presentation at SQC Abbottabad, Consolation Prize in Collage Competition at SQC Abbottabad, 1st & 3rd positions in Debate Competition held at District Council Hall Mansehra, 3rd position in Sketching Competition held at Comsats, Abbottabad, 3rd position in Debate Competition held at High School Mansehra, 2nd position in Debate Competition held at Ayub Medical College Abbottabad, 2nd position in Debate Competition (team) in SQC held at Abbottabad, and last but not the least, Consolation Prize in Radio Jockeying Competition in SQC held in Abbottabad.

## Punjab Colleges Mardan (Risalpur)

Mardan, known as the city of hospitality, is situated in Khyber Pakhtunkhwa. Over the years, since independence, Mardan had a high improvement in education and educational facilities, although its standards required fair improvement. There was a growing demand from the hardworking students and their motivated parents for the establishment of an institution to impart quality education in science and information technology. Consequently, the management of Punjab Group of Colleges established an institution in Risalpur to serve both the cities.

In three years time, session 2017-18 on roll student count of Punjab College Mardan (Risalpur) was nearly 700. Students showed marvellous results in Intermediate Board Annual Examination 2016-2017 by scoring 121

A+ and 175 A Grades. Overall Girls pass rate was 100% and boys pass rate was 94%. In this same year in F.Sc Pre medical XI, our student Iman Fatima secured 3rd position in Mardan Division by scoring 493/500 marks and in F.Sc Pre Engineering XI, our student Afrasiyab Khan attained 1st position in Nowshera Division by scoring 488/550 marks in BISE Mardan Annual Examination 2016-2017.

The college campus is fairly spacious, purpose-built and air-conditioned providing a peaceful learning atmosphere which perhaps was not previously available in this locality. There is an unprecedented state-of-the-art computer laboratory and well-furnished biology,

chemistry and physics laboratories equipped with the latest equipment. Content-based animations in the subject of mathematics, biology, chemistry and physics are employed for concept-oriented learning. The faculty members are highly qualified, experienced and quality conscious.

The college is affiliated with the Board of Intermediate and Secondary Education, Mardan for its Pre-Medical, Pre-Engineering and Computer Science classes at Inter-level.

The College management intends to run B.Sc classes in the next session.

## Punjab Colleges Mian Channu

Mian Channu, the stunning city, having an immense rural surrounding has always been enriched with the intellectuality but at the same time, it has also been deprived of those bright scholars who had to move towards far places to attain quality education. In order to meet the thriving demands of the modern era and to provide a tremendous educational platform, Punjab College Mian Channu for Boys and Girls was set up in 2012.

Punjab College Mian Channu possesses commodious and purpose-built building in the lap of beautiful arenas. It has air-conditioned classrooms, equipped with multimedia and public-address system, well-stocked and updated Library, Computer, Physics, Chemistry and Biology Labs which enrich the excellence of wisdom and knowledge. Content-based three-dimensional animations in almost all subjects are active for concept-oriented learning. Our teaching faculty, coaching methodologies, academic tools and ethical standards are world-class.

Punjab College Mian Channu is affiliated with Multan Board and BZU for its Intermediate and Graduation Classes. We offer M.A in English & Urdu, MSc in Mathematics, Physics, BS (Mathematics, Computer Science, Botany, Chemistry, English and Bio Chemistry) and FSc (Pre-medical, Pre-engineering and General Science), ICS and I.Com. Above all, Punjab College Mian Channu is one of those blessed

campuses which have achieved the honor of launching STEP (Strategic & Tactical Entry Test Preparation) program in their campuses and running it successfully.

Our remarkable results speak volumes about the quality of education we offer. We are extremely proud of our young scholar Javeria Mustafa who has secured Overall 1st position in Multan Board Intermediate Results 2017. We have an impressive 99% result at FSc level. 81% of students have achieved A grades. At BS level we have attained 100% result. It is all because of the organized test series which are divided into five levels. Particularly, the college monitors individual progress closely throughout the program and provides excellent additional support where needed.

In extra or co-curricular activities, we are the champions. Recently, In Youth Festival, Urdu & English Essay Writing and Debate & Speech Competition, we have secured 1st position at Provincial level. Moreover, we have gained three 1st and two 2nd positions at Divisional level and 16 positions at District level out of them, 10 positions were 1st. Tehsil level Annual Bait Bazi Competition on 14th August is our convention. We are the "Trendsetter" of the city as we commenced Bonfire, Sports Gala, Star of Mian Channu (A Scholarship Program), Theatre Drama for Women's rights and other programs on different events are usually executed in entirely different manner which

include Milaad, Welcome & Farewell Parties, Independence Day, Cultural Heritage Program, Art Mela, Science and Economics exhibitions, Recreational Trips, Study Trips, Competitions like Quiz, Bait Bazi, Debates, Naat, National Song, Science & Arts Projects and Painting.

Punjab College Mian Channu has the proud distinctions of winning sports competitions like cricket, hockey, volleyball, netball, badminton, table tennis, tennis, gymnastic, basketball and karate. By the Grace of Allah Almighty, Punjab College Mian Channu has become the first preference of the students and their parents being the benchmark in teaching and unparalleled comprehensive range of courses.

We establish an independence ethos, encourage mutual understanding and appreciate and the shares of aims in an atmosphere of harmony and healthy debate which help students stay safe, healthy and happy, whilst enjoying achieving their goals. It also generates a climate of mutual support and friendliness for students, tutors and administrative staff.

## Punjab Colleges Mirpur

Mirpur is one of three divisions of Azad Jammu & Kashmir. Mirpur City is situated around Mangla Dam. There was hardly any institution in this area imparting quality education before the inception of Punjab College. Keeping in view the trends of the students and their parents, the management of Punjab Group of Colleges decided to establish a campus in Mirpur to enlighten the young and energetic students. Punjab College Mirpur is a real blessing for the students of Bhimber, Kotli, Samahni, Chakswari, Dadyal, Mangla, Jatlan, Islamgarh and adjacent areas.

Since its inception, Punjab College Mirpur has been successfully fulfilling its goals through its highly qualified faculty. The lecture rooms, laboratories and library are air-conditioned and the library is well-stocked with latest collection in different subjects. The laboratories are adequately equipped to strengthen the practical knowledge of students as well as interactive white boards are used to enhance the comprehension of students.

The campus has a computer lab with the latest version of computers. Internet facility is available both to the students and the faculty

to get an access of the latest information around the world. Separate hostels for the boys and girls have been provided by the college management. Regular pick and drop services to all students (boys and girls), from morning to evening is provided.

Since its foundation in 2011, in academics, we showed brilliant results in each year exams of AJK BISE Mirpur. At the end of its 1st academic session, Usman Jhangir secured 1st position in Commerce Group (Boys) in the Annual Examination of 2013, while Siddra Abbasi and Misbah Jamshad attained second and third positions respectively in Commerce Group (Girls) in the same year. ## Punjab Colleges Muzaffargarh

Punjab College Muzaffargarh is situated at Ali Pur Road, opposite Sial Marriage Garden, Muzaffargarh, which is easily accessible from all corners of the city. There was hardly an institution in this city imparting quality education in the field of science and commerce. The students had to travel long distances to attend the institutions providing quality education. The establishment of Punjab College at Muzaffargarh is a blessing for the parents in general and for the students of this city in particular. Students who are keen to learn in a congenial academic atmosphere are welcomed to Punjab College Muzaffargarh.

We are proud to impart quality education to boys and girls separately in a sophisticated and modern environment. The college occupies a spacious building. It has been facilitated with air-conditioned classrooms, well-stocked libraries and most modern computer and science labs.

The college is affiliated with Board of Intermediate and Secondary Education Dera Ghazi Khan for its Intermediate Programs.

Our values of respect, discipline, honesty, and tolerance are behind everything we have as an institution.

Co-curricular and extra-curricular activities run side by side on the campuses like Mehfil-e-Naat, Inter-classes Quiz Competition, Sports Gala, Color Day for Girls Campus, Fun Day for Boys Campus, One Day Excursion Trips to Lahore for Boys and Girls campuses separately are our notable activities.

The college management provides a multi-directional students transport service to ease the access of students to college not only from Muzaffargarh city but also from different divergent & far-flung areas of the district.

## Punjab Colleges Nankana

Punjab Group of Colleges is the name of trust. In 1985, the first college was established as Commerce College in Lahore. Subsequently, it turned into chain of colleges and now it is the largest network of colleges in Pakistan with 390 college campuses in 111 cities.

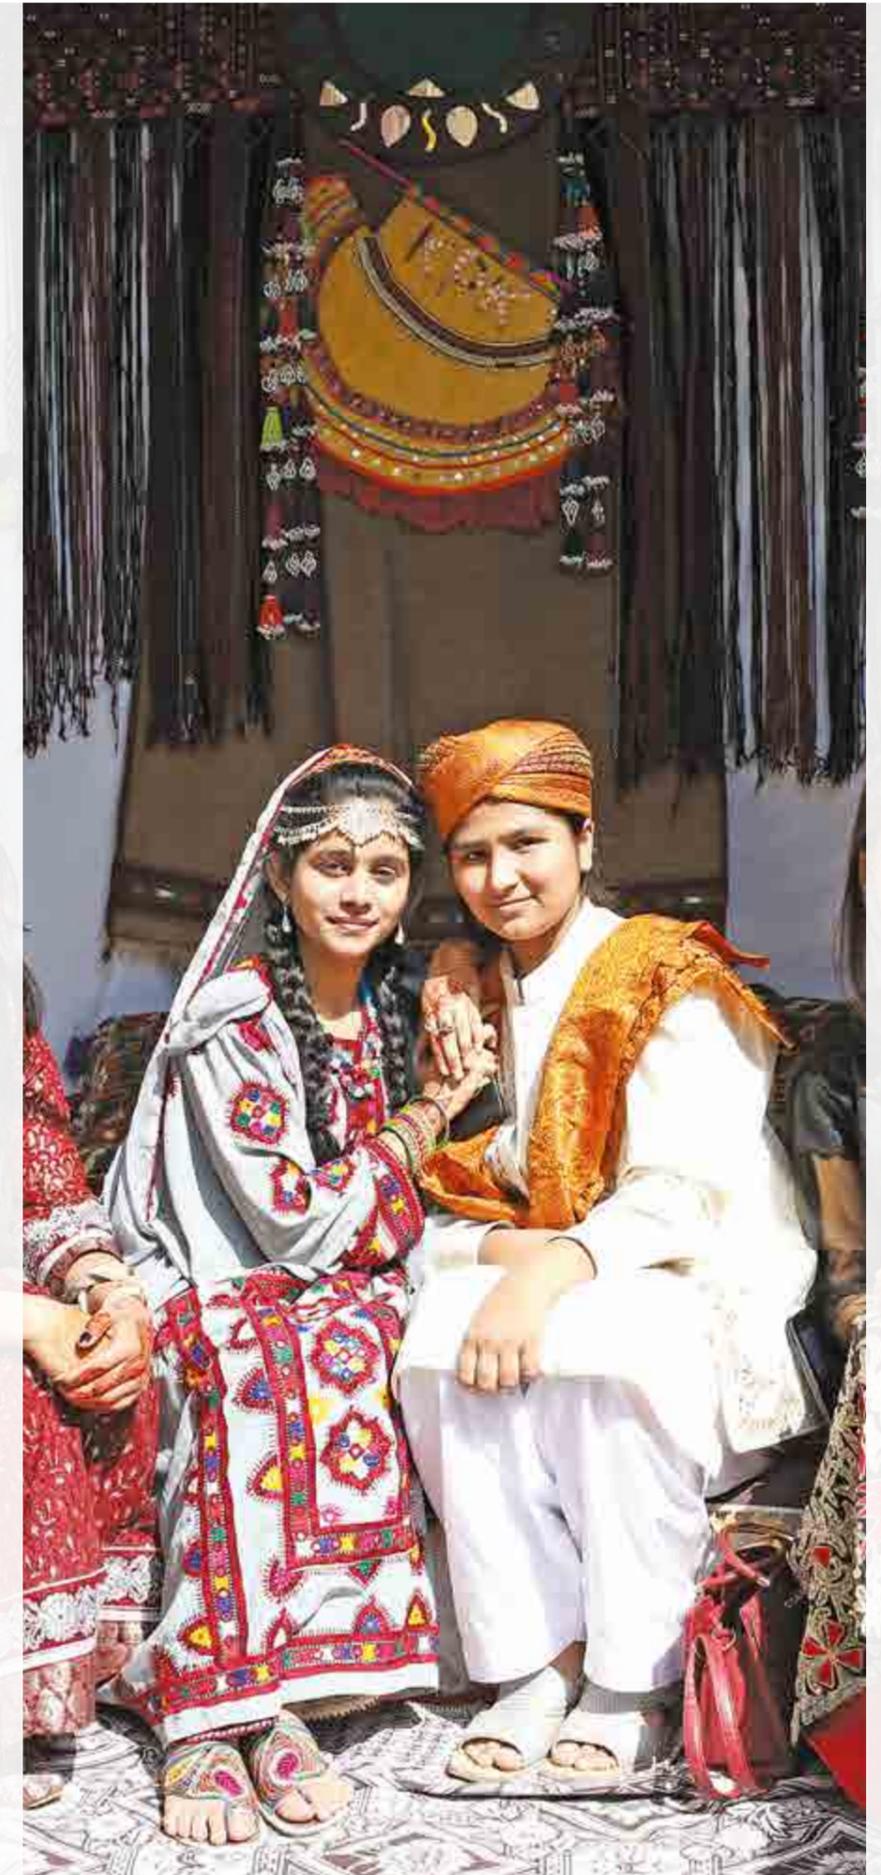

PGC Nankana Sahib Campus was established in 2015. Nankana campus has achieved some sensational accomplishments. With more than one thousand students enrolled in the Nankana campus, it stands at the top of the list of colleges in Nankana Sahib. It is affiliated with Board of Intermediate and Secondary Education Lahore for intermediate classes.

Disciplines offered in Punjab College Nankana are F.Sc (Pre-medical and Pre-engineering)) ICS, F.A, I.Com, and B.Com. Quality education is related to qualified and dedicated faculty. Teaching staff of Punjab College Nankana is highly qualified and devoted.

The campus is elegantly embellished with physics, chemistry, biology and computer labs. The college library is well stocked with 1400 books ranging from fiction and non-fiction, magazine and journals as well as materials beneficial for students in their curricular activities.

Literary Society provides platform to students to show their hidden talent by managing seminars, curricular and co-curricular performances. Along with the focus on main show of academics, the college has also displayed some dazzling performances in co-curricular activities.

We are dedicated to expand our academic programs that are highly demanding and have great impact on our future bearers.

## Punjab Colleges Naushehra (Soon Valley)

The Soon Valley is in the north west of Khushab District, Punjab. Its largest settlement is the town of Naushehra. Soon Valley has much scenic beauty, with lakes, waterfalls, jungle natural pools and ponds. The peak of Mount Sakesar is at 5010 feet (1530m) above sea level. It is the only mountain in this part of the Punjab which receives snowfall in winter.

Most of the people living here are farmers and few of them are traders. It is a reality that in Soon Valley there was no institution which is providing quality education that is why

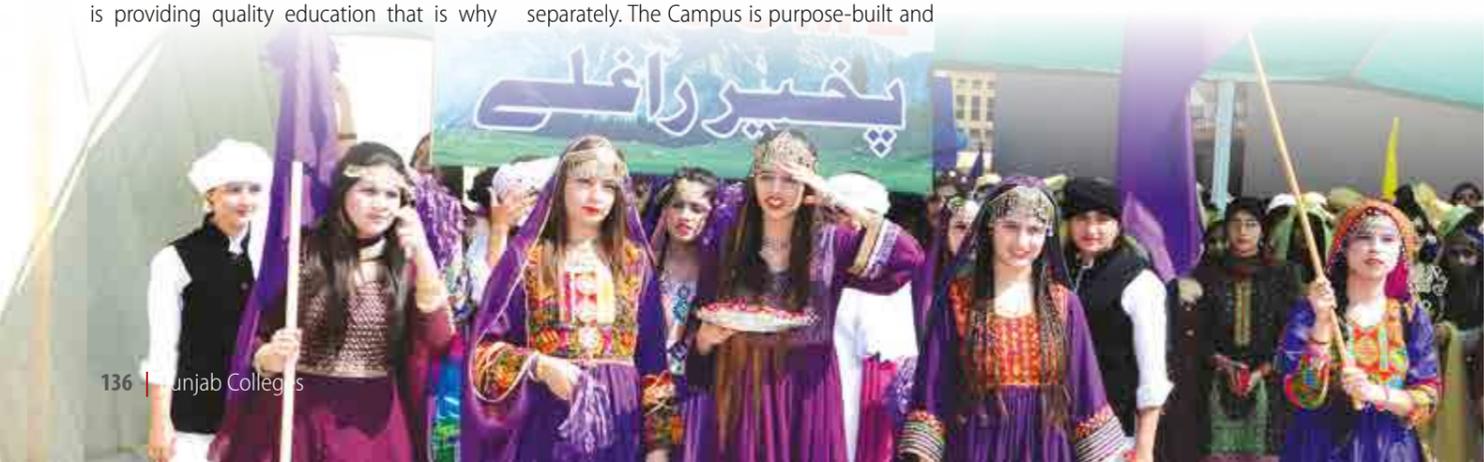

parents send their children in surroundings (Lahore/Sargodha/Jauharabad/Chakwal etc) to get education. People living here were demanding a quality institution. Punjab Group of Colleges decided to establish a College which fulfilled their educational needs in the fields of commerce and science.

Punjab College Naushehra has everything which is the need of every student. Punjab College Naushehra offers science and commerce education for boys and girls separately. The Campus is purpose-built and

has modern science labs and computer labs with multimedia facility.

Punjab College Naushehra faculty is well trained and experienced. College management creates such an environment which is essential for learning.

Punjab College Naushehra is affiliated at Intermediate level with Board of Intermediate and Secondary Education Sargodha and at Graduation level with University of Sargodha.

## Punjab Colleges Narowal

The establishment of Punjab Colleges is a revolutionary step in the educational history of Narowal, as this area had been continuously deprived of such an excellent institute.

The college is affiliated with Board of Intermediate and Secondary Education, Gujranwala and Punjab University Lahore for Intermediate and Degree classes respectively.

Keeping in view the golden traditions of Punjab Colleges, Punjab College Narowal is trying its utmost to maintain the highest level of academic supremacy. It is providing quality education to both boys and girls in separate campuses, at intermediate and graduation levels. It also facilitates it's students with sound academic programmes, a scholarly atmosphere, excellent discipline, most modern air-conditioned classrooms science laboratories, latest computer labs and well-equipped libraries.

To keep up with rising trend of science education and in response to the increasing demand of parents, the management of Punjab Colleges Narowal has launched B.Sc programs (Affiliated with Punjab University Lahore).

The academic session of (2011-2013) proved to be another glorious addition to the tradition of Punjab College Narowal. Our students got 1st positions in I.Com, ICS, and B.Com, 2nd positions in Pre-Medical and Pre-Engineering Groups at the District Level.

Thirty nine successful Punjabis of Punjab Colleges Narowal got admission in well-known medical colleges and engineering universities while many other got admission in IT universities of Pakistan. This is another revolutionary step in the history of District Narowal.

In the result of academic session 2012-2014, the students of Punjab Colleges Narowal got 1st position at District Level in F.Sc, ICS, I.Com and B.Com. In the result of academic session 2013-2015, a student of Punjab College Narowal got first position at Division Level as well as at District Level in B.Sc and B.Com respectively. In addition to this, 15 students of Punjab Colleges Narowal got admission in King Edward and other medical colleges whereas 25 students were admitted in famous engineering universities of Pakistan.

The college pays special attention to co-curricular activities and sports competitions, as these are essential for the physical and mental growth of the students. The college arranges debates and quiz competitions. Welcome and farewell parties, sports gala, music concerts and excursion trips are also arranged to give students a break from their strenuous routine.

## Punjab Colleges Pakpattan

Pakpattan, a district of southern Punjab, located on the bank of River Sutluj, is a town of considerable antiquity. The city of the Sufi Hazrat Baba Farid-ud-Din Masood Gang-e-Shakar (R.A) is rich in fertility of its soil. Talent in students here has recognition all over Punjab. One flaw has always been being felt and that was to have quality education at college level in the form of any reputed educational institution here that may offer its services in a facilitated environment along with quality education and building of cultivated and confident spirit in students. Punjab Group of Colleges filled this gap by establishing Punjab College Pakpattan in 2012 with its grandeur building on Karkhana Road near WAPDA Complex. It made the citizens profoundly grateful to the management for its establishment and for the facilitated environment with quality education for the talent of the city.

Punjab Group of Colleges not only achieved excellence right from the beginning, but also maintained it. Its commitment to excellence in pedagogy and building of highly positive, cultivated, trained and confident spirit in its

students has always been being translated by all its campuses all over Punjab.

Punjab Colleges Pakpattan, too, is having perfect panorama of PGC commitment and its translation to its students with its spacious building, well-furnished and air-conditioned class rooms, well-equipped computer and sciences labs and library and modern audio video aids like over-head projectors and multimedia.

It has committed to ensure excellent pedagogy to translate quality education as well as it schedules curricular, co-curricular and extracurricular activities in the form of various events like welcome party, bonfire, quiz contests, mehfil-e-naat, cultural mela, sports gala and three days recreational tour to Murree, to build confidence and cultivate spirit in students.

Punjab College Pakpattan made the city astonished with its distinctive results in medical, engineering, computer science and commerce. Consecutive outstanding results in all departments at District and Division

levels added humble pride to its promise all commitment to the city. During the terms till now students have been participating in debates, speeches, paintings and science model contests organized by the Chief Minister Punjab at district and divisional level and have secured 32 at district level and 6 at division level. Punjab College Pakpattan also schedules academic exhibitions and local study tours often.

At present Punjab College Pakpattan is offering F.Sc, I.Com, ICS, B.Com, B.Sc in morning classes and ADP (Associated Degree Program), ADS (Associate Degree in Sciences), and M.Com (Master of Commerce) in evening classes under the umbrella of University of Central Punjab Lahore.

PGC Pakpattan aims to instill in its students the commitment and aim to explore and surprise the world.

## Punjab Colleges Pasrur

Pasrur, a historic city of district Sialkot enjoyed a colossal importance during the reign of Mughal emperor, Babur, as it served as a dwelling between Sialkot and Kalanaur. This city is surrounded by fertile land and houses military cantonment, sugar, flour and rice mills, sports and surgical goods' industries.

Traditionally, Pasrur is famous for its clay pottery; hence giving fine shape to the raw material is a legacy of Pasrurians. Keeping this aspect in view, Punjab College Pasrur was established here in 2014 and within no time it earned stupendous reputation in the vicinity. There are separate campuses for boys and girls, which are ideally located on the main Pasrur-Sialkot road.

All class-rooms, library and modern labs are air-conditioned and well-equipped. Moreover, the college has a separate, spacious, owned playgrounds where sports galas and cultural programs are held regularly. The college also provides opportunities to groom the creative and leadership qualities of the students through co-curricular activities like Debates, Quiz Competitions, Seminars, Educational and Recreational Excursions. Above all, the college has a highly skilled and qualified staff which guides students and leads them to pinnacle of resplendence of erudition.

Punjab College has always been a leader in taking initiatives, hence, meeting the

challenges of modern market, Punjab College Pasrur started M.Com, Associate Degree Programs in Accounting & Finance and Computer Sciences along with Associate Degree in Science (Botany, Zoology, Chemistry, Double Math, Physics) classes which are in collaboration with the University of Central Punjab; M.A. English from University of Gujrat; and BS (Chemistry, Zoology, English) from Government College University, Faisalabad. To encompass the challenge of Entry Test of Medical Colleges and Engineering Universities, we have taken a momentous measure to facilitate our local students at their doorstep for commencing the Entry Test Preparation Classes under the direction of STEP.

## Punjab Colleges Raiwind

Punjab College enjoys an individual and leading status as an educational institution in the city of Raiwind. This city is particularly known as a religious hub in the Islamic world.

The Punjab College Raiwind facilitates its students with quality education in the field of science and commerce hosting separate campuses for boys and girls. Well-equipped science and computer labs, which are managed for the students to meet the challenges of the modern world, are working under the supervision of highly-skilled professors.

Purpose-built, an air-conditioned library containing a good number of books on different subjects always invites the students to enhance their knowledge on desired topics. A highly qualified and trained librarian

keeps the library up-to-date according to the latest needs of the time.

Co-curricular and extra-curricular activities are held regularly for students to show their mental as well as physical skills. Cultural Festivals, Bonfire, Milad-e-Mustafa (P.B.U.H), Quiz Competition, Debates, Essay Writing, Painting and Cricket Gala are held on annual basis. Study and recreational tours are conducted and managed for the stress-free learning of the students.

In the "Bazm-e-Tariq Aziz show", the Punjab College Raiwind won "Bait Bazi final competition" against Punjab University and achieved the title of "Mir-e-Now" with Gold Medal in the "Annual Poetry Competition" and got triumphant success in the final "Cricket Gala 2014" organized by Punjab Group of

Colleges, Lahore.

Punjab College Raiwind continued to congregate its triumphs in 2015. As on 6th September 2015, Defence Day Festival, Punjab College Raiwind toppled another milestone by grabbing 3rd position in milli songs and a consolation prize in speech competition. Punjab College Raiwind consolidated its regime of success at Satrangi Mela 2016 organized by PGC Lahore and staged 3rd position both in Old Songs Competition and Soufiana Kalam. Under the supervision of University of Central Punjab, degrees were awarded to the students of Master of Commerce from Punjab College Raiwind. Top students were awarded degrees along with honorary medals whereas successful candidates were given degrees as well.

## Punjab Colleges Rawlakot

Punjab College Rawlakot was established in 2015 and the college is progressing multiple folds with each passing month. Despite bad weather and other restraints, the college is pacing in an unwavering manner. A number of events were arranged in the campus in last few months.

In August 2016, anniversary of the college was celebrated with zeal and gaiety. Study tour for boys to Lahore, Mirpur and Islamabad was arranged for five days. A mega sports event was arranged in the campus. Students participated enthusiastically in different

sports competitions. The competitions continued for two days and the winners were awarded with prizes and medals.

Though, the college has achieved a lot since it was established, yet the college authorities are planning to realize their dream of taking the college to the height of glory and providing the students with the best platform for quality education and character building. We have our own transport for students and we plan at expanding our transport service.

Due to increasing number of students with each coming session, we decided to construct a separate campus for female students. The campus is already under construction and will be completed in few months.

As the residents of the area are insisting the college authorities to commence graduation classes, so we are planning in that respect too. We already have B.Com classes in our college who has secured marvellous result in University Exams in Part 1.

## Punjab Colleges Sahiwal

Sahiwal city is situated in the heart of Punjab. It has lush green cultivated land, which reflects the purity of its people. The art and culture are the basic component of this city, where the education is a strong pillar.

Sahiwal campus is one of the landmarks of the chain of Punjab Group of Colleges. Highly skilled and experienced faculty members have always been striving for better results. Syllabus break down on weekly and monthly bases are regularly checked during the academic session. Punjab College Sahiwal is providing a conducive environment, high-tech computer lab, fully furnished science labs and hygienic classrooms to the students.

We also provide transport facilities to our students. Feedback system plays pivotal role in result-oriented process. Special coaching classes for the weak students are also organized for their improvement. Skilled faculty members conduct weekly, monthly assessments leading to phase exams. Finally, Comprehensive Exams are held, according to Board and University pattern. We conduct Parent-Teacher-Meeting (PTM) on regular basis to intimate poor performance of weak students.

Our strenuous toil bears fruitful results. We are highly grateful to Allah Almighty that our ceaseless efforts have shown the results as our 278 students got A & A+ in 2017 and 10 positions in Intermediate Exams 2013, 2014, 2016 and 2017 in Sahiwal Board and 1 position in Intermediate Exams 2012 in Multan Board respectively. They also enjoy recreational activities like welcome Party, Three Days' Murree Tour, Musical Concert, Cultural Mela, Sports Gala, Bonfire and Farewell Party. Our students get distinctions every year In Punjab Govt. Youth Festival not only at District & Divisional but also at Provincial level by participating in different categories like Qirat, Naat, English Debate, Urdu Debate, English Essay Writing, Urdu Essay Writing, Science Model, Painting, Milli Nagma, Cultural Model. Punjab College Sahiwal has maintained its golden traditions and has achieved another milestone. It is our prestige that our students touch the horizon of their education and get admissions in different medical and engineering universities.

## Punjab Colleges Sahiwal (Dist. Sargodha)

Sahiwal City is a Tehsil of District Sargodha. It has its antique importance because it is situated at the bank of Jhelum River. The community in Sahiwal (Sargodha) has shown the keen interest in educating their children with modern norms and traditions. For this purpose, they never hesitate to send their children even to remote and developed cities for quality education. Keeping in view the need of quality education of this city, Punjab Group of Colleges built a purposeful and fabulous campus with the name of Punjab College Sahiwal (Sgd.).

Punjab College Sahiwal (Sgd.) is the only institute of its kind in the locality which is providing standard modern education with the blend of religious, moral and ethical education and extra-curriculum activities as well. Because of its healthy and learning friendly environment, students are eager to take admissions and it is the top priority of

the parents` for the excellent education of their children.

PGC Sahiwal Sgd maintain its legacy of getting positions not only in BISE Sargodha but also in University of Sargodha Annual Examination 2017. In addition, PGC Sahiwal has left its mark on results not only at Intermediate level, but also Graduation level as well. Our hardworking student M. Sheraz and M. Ramzan bagged 3rd positions in Pre-Medical and Pre-Engineering in BISE Sargodha in 2016-2017 respectively. Our diligent student, Asma Iqbal secured 3rd position in B.Sc in University of Sargodha Examinations in 2017. ALHAMDULILLAH! Apart from these achievements, we have maintained above 90% result every year.

No doubt it is an evidence of PGC Sahiwal faculty's dedication and commitment and smooth working atmosphere according to

defined vision of the Group. It's striving for excellence does not confine with fabulous results but this Motto (Striving for excellence) has become the legacy of PGC Sahiwal in co-curricular activities.

PGC Sahiwal has achieved grandeur success in CM's Competitions every year. Our student, Farheen Ali secured 1st position in English Essay Writing at Provincial Level and our competent student Shanzay Babar secured 2nd position in English Debate at Provincial Level. Our diligent pupils have pinned their shoulders with stars not only in academics but also co-curricular activities. PGC Sahiwal success is just because of Allah's Blessing and hard work of our faculty in reaching the peak of excellence.

## Punjab Colleges Sambrial

Sambrial is the home town of Sialkot International Airport, Sialkot Export Processing Zone and Sialkot Dry Port. But there was a gap of quality educational institute in the area and the students had to go to Sialkot and Gujranwala for studies. This gap was timely noticed by Punjab Group of Colleges management. Hence, they established Punjab College Sambrial. The feedback from the parents and the students has proved that the flow from this area to the other cities have come to an end and the coming years are sure to bring a revolution in this area.

A purpose-built campus is situated on the University Road. The infrastructure is very well planned, equipped and organized. Three huge buildings comprise two separate blocks for girls and boys and a management block between the two making easy access for the students of both the blocks

to management section and the principal office. Both the campuses are double-storied and the expansion is possible in the future as the demand increases. All the classrooms are air-conditioned, well-lighted and furnished adding to the healthy atmosphere. The campus has its large library with more than 3,000 books. The laboratories are well-equipped with all the necessary material. The faculty is highly experienced and qualified.

During this successful period of the first year, many co-curricular activities were organized like the welcome parties, tour to Murree, musical concerts, cultural festivals and sports gala. Teachers training workshops at the campus are organized to enhance the skills of the faculty members.

Punjab College Sambrial has already started M.Com and ADP classes affiliated with University of Central Punjab and it intends to

commence the classes of M.A (English), MBA, BBA (Hons), BS (Hons) in the future.

Our achievements within a very short span of five years include 7th Position in BISE GRW, Razia Akram (General Science Group) 976 marks in 2015, 2nd Position in BISE GRW, Aamir Hussain (Pre Engineering Group) 1034 marks in 2016, 7th Position in BISE GRW, Iqra Mustafa (Commerce Group) 971 marks in 2016, 1st Position in tehsil Sambrial (M-CAT), Nageen Naz, 1001 marks in 2016, 3rd position in BISE GRW, Iram Abbas (Commerce Group) 983 marks in 2017. We have massive number of students who have been selected in Medical and Engineering Universities. By the grace of Allah we have participated in Chief Minister's Competition at District level and secured Two positions in Speech and Qirat Competitions.

## Punjab Colleges Samundri

Samundri is a Tehsil Headquarter of District Faisalabad. In this city of farmers, there was no such educational institution that could provide quality education and motivate the students of the locality. The ambitious students were feeling the need of an institution which could provide them with the opportunities to get quality education as well as make their name in extra co-curricular activities. Due to an absence of an institution which lead them to excellence, they had to travel to Faisalabad for fulfillment of their desire of knowledge. So, in response to this, Punjab College Samundri was established in 2012 and is situated on Main Faisalabad Road.

Punjab College Samundri is affiliated with Board of Intermediate and Secondary Education Faisalabad, University of the Punjab and Government College University Faisalabad.

There is separate campus for both boys and girls. Well-equipped science labs and a state-of-art computer lab are also available to face the challenges of modern education. A beautiful college library consisting of 4000 latest books is also available. The faculty comprises of highly-qualified, well-experienced and dedicated teachers. The college provides opportunities to groom the creative and leadership qualities of the students through co-curricular activities like

debates, quiz competition and seminars, sports and recreational tours.

The most prominent achievement of the college is that Muhammad Waseem got 3rd position in Faisalabad Board in the first academic year result. Rukhsar Rasheed stood 1st in Annual Examination 2015 in Pre-Engineering (Girls). The college has 1200 students enrolled currently.

Our story of glory is our exemplary results. . Our results are a source of determination of goals and achieving them in a systematic way. In future, the college intends to start B.Sc, ADP and M.Com Classes. Insha Allah!

## Punjab Colleges Shahkot

Shahkot is a town and Tehsil of District Nankana Sahib. It is situated on Faisalabad Sheikhupura Road. In 2011, Punjab Group of Colleges launched its campus in the area. It was inaugurated by the Honorable Mian Amer Mehmood, Chairman of Punjab Group of Colleges. Punjab College Shahkot is a modern, demand-driven, futuristic and quality-conscious college in town. The culture of Punjab College Shahkot

emphasizes on unfolding students' potential developing a clear sense of direction. The faculty is a unique blend of youth and experienced members who keep on striving to foster a culture of learning and knowledge with an endeavour to produce Punjabians with requisite skills and attributes to serve the society at large. The well-equipped classrooms, science labs, with mandatory apparatus and computer labs are well-

marked among all other institutes of the town. In a very short duration of 'Six Years', Punjab College Shahkot has gained the honour that more than 106 students are studying in Government medical colleges and more than 120 students are studying in engineering universities. We are hopeful, that we will achieve the heights of growth in the upcoming years.

## Punjab Colleges Shahdara

Shahdara is a well-populated place where people have great desire to send their children to a purpose-oriented institution for their academic growth. Unfortunately, there was no institution of this kind. Consequently, students either had to travel a long and tiring way to acquire a sound quality education or compromise on low quality in the hands of quacks in the town. So, the management of Punjab Group rightly felt the dire need of an institution to combat the growing challenges in the field of science and commerce.

This campus was established in 2010, with positive intention and commitment to inculcate the spirit of education among the young generation. The campus is ideally located in an easily accessible area and has the capacity to fulfill the educational needs of the neighboring towns i.e. Muridke, Kala Shah Kaku, Kot Abdul Malik, etc. It offers a disciplined learning atmosphere. Highly qualified and well-trained teachers are ever willing to guide the students. All classrooms are air conditioned and conveniently furnished. Physics, chemistry, biology and computer labs are equipped with the latest apparatus to cater the demands of the curriculum.

Recreational tours, fabulous welcome

dinner and sports gala are arranged which become the part of the pleasant memory to refresh the students in the later years of their lives, whereas, tough academic routine; phase tests, strong and up to the mark test system and quiz activities sharpen them intellectually. Here, free tuition classes are arranged after college hours. Now, students don't need to go to any academy for extra coaching which is an additional financial burden on parents. Students' academic performance is also monitored through regular tests. The weak areas of the students are addressed and strategies are framed to strengthen them. The fact that most of our students have been admitted to top Pakistani medical colleges and engineering universities testifies the quality of education that we provide to our students. Through various workshops and faculty development programs, a special focus is made on quality of education to fill the gap between the prevailing and the desired status of education. Apart from the academic care given to the students' college also provides subsidized transport facility.

The college has also commenced M. Com classes in collaboration with University of Central Punjab (UCP) which is a 'W' category university in HEC. It shows that we provide

our students a complete platform from intermediate to Masters level.

The college has also commenced evening classes on regular basis especially for those students who couldn't make their way to morning classes owing to financial problems. Evening shift classes are given same educational setup, regarding timetable, course completion and test system etc., as morning shift. The fact remains that evening shift fee package is far less than morning shift.

One of the greatest problems that F.Sc students face in this area was the unavailability of a recognized institution for B.Sc. classes. The students had to go to city to cope with this situation. Punjab College Shahdara, understanding this situation, stepped forward and proudly launched B.Sc. classes last year. B.Sc. classes are also on regular basis under Punjab University. Similarly, keeping in view the students' urge for professional learning, Punjab College Shahdara has launched Associate Degree Program (ADP-IT) this year. It bears witness that we are always willing to solve all the educational problems of our valued students.

## Punjab Colleges Sharaqpur Sharif

Sharaqpur Sharif, a well thriving city lies in the west of Lahore about 16 km far from Faizpur Interchange Motorway on Jaranwala Road. ## Punjab Colleges Shakargarh

Punjab College Shakargarh was established in 2011, keeping in view the demand of its residents for an institution that may impart quality education on one hand, while on the other hand it must have a progressive outlook.

Punjab College Shakargarh is affiliated with BISE Gujranwala for Intermediate level and with the Punjab University Lahore for Graduation Programs.

Punjab College Shakargarh is housed in a purpose-built spacious campus. Keeping in view our social norms, there are separate campuses for both girls and boys. Girls campus is situated in the main Shakargarh City.

Punjab College Shakargarh is a place of beauty with its spacious campus having a magnificent building. With all distinctive attributes of Punjab Group of Colleges, it holds a faculty including certain numbers of M.Phil graduates. We provide a stimulating and supporting environment which focuses on the power of an individual. All this blends to provide an atmosphere thoroughly favorable for blooming and grooming to the real cause of education with excellence and perennial academic prestige. That

is why; the knowledge seekers find all scholastic standards to quench their thirst for knowledge along with numerous books available in college library.

Punjab College is proud of its well-equipped science labs with latest equipment, fully air-conditioned classrooms and sophisticated computer labs. Our fully-equipped science labs and computer labs provide a coherent analytical framework to cover the practical approach to studies along with the theoretical pattern of academics, covering all the contemporary developments and dimensions.

Since, we believe students capacity of learning and knowledge can be enhanced only by professional tactics conducted by professional peoples, this campus is proud to have the potential.

Use of science animations in subjects like Biology, Physics and Chemistry is the hallmark of Punjab College Shakargarh. Within a short span of time, since its inception in September 2011, Punjab College Shakargarh has made a landmark achievements in curricular and co-curricular fields of activity.

## Punjab Colleges Shiekhupura

Punjab College Sheikhupura was established in 2010. Within a short span of time, it has achieved some sensational accomplishments. With more than 2000 students enrolled, the Sheikhupura campus stands at top of the list of the colleges that set out on their journey during the same period of time. The campus is elegantly embellished with physics, chemistry and biology labs. The computer lab has most modern, more than 100 computers, machines, multimedia and the related equipment such as the internet and Wi-Fi system. The college library is well stocked with 5000 books ranging from fiction and non-fiction, to magazines and journals as well as materials beneficial for students in their curricular activities.

The college offers FSc. (Pre-Medical, Pre-Engineering), ICS (Physics/ Statistics), I.Com. (Urdu / English) and F.A at Intermediate level. At Graduation and Masters' levels, BSC, BSCS, BS English, BBA, ADP, MBA and M.Com. programs are offered in affiliation with University of Central Punjab and B. Com (IT) and LLB (3 years) in affiliation with Punjab

University.

We are proud of our students for many accomplishments. Session 2017 saw an extraordinary group of graduates. This session was a hallmark in the Lahore Board Result as our brilliant students Unsa Miraj and Umer Mukhtar achieved high places respectively by securing 1st position in Girls (Pre-Medical) and 2nd position in Boys (Pre-Medical). It was also a pride to note that Umer Mukhtar achieved overall 3rd position in Lahore Board. The college boasts of having hundreds of students with A+ and A grade.

The performance is further dolled up with the foundation of PCVC (Punjab College Voluntary Club). The club works for the moral grooming of the students and conducts activities like Blood Donation Camps and helping the people of the areas affected with natural calamities. Literary Societies of both English and Urdu Departments provide the platform to the students to show their hidden talents. But the chronicle does not impede them, it is just the beginning to a

host of new ends. We are sure to reach there with the bounties of the Allah Almighty and the untiring efforts of our highly professional both teaching and non-teaching staff.

Along with the focus on the main show of the academics, the college has also displayed some dazzling performances in the co-curricular activities. The talented students of Punjab College Sheikhupura vibrantly participated in CM Youth Festival and distinguished themselves with top positions at the District level among all the private colleges.

PGC's approach to study reflects an emphasis on individual student's ability to work independently, exploring a line of research or acquiring a new skill while supported by an outstanding academic community and resources. PGC's and UCP's vision to achieve excellence in higher education, are dedicated to expand their academic horizon by introducing new programs that are highly demanding and having a great impact on our future leaders.

Actually the combination of greenery with architectural designing exhibits a special flare and flavor to all and sundry in the area of Cutlery Hub. Since its inception, PGC Wazirabad has emerged as a prestigious seat of learning with a significant number of students, demographically. Within a short span of eight years, with all the distinctive attributes of Punjab Group, it holds an enthusiastic faculty of members with certain M.Phils. and even PhD. Scholars who are always willing to share their knowledge

and expertise to encourage their pupils touching the horizons of great achievements.

The school wing under the banner of PGC is also fulfilling the long standing demand of the parents by providing their progeny with the necessity of quality education at this level. The bouquet of faculty at school level in no way is less than at the college level. The blooming and grooming of students at school level is ensured through various steps at this level, certain forums like PTM and discussionary sessions are the part and parcel of school life here. The pupils at this level also enjoy many recreational activities like welcome and

farewell parties, students' tours, sports and games competitions etc.

Pedagogically, the modern approach of learning is coupled with academic pattern of studies along with sound practical approach. Our fully equipped eight science and computer labs provide a coherent and analytical framework to cover the practical conceptuality of science subjects. It simply focuses on all the contemporary developments and dimensions by keeping our students updated regarding scientific patterns and approaches. Our libraries, with hundreds of books, also satisfy the thirst of book readers among our enrolled

pupils. Today, we stand prominent in our area in the field of imparting education up to the post-graduation level in commerce as well.

The campus life is enriched with the sense of diversity by possessing a range of various activities to enhance the creative talent among our students. Curricular and extra-curricular activities with their variety and needs are an instinctual part of the college. Multi-dimensional platforms like Literary Society, Dramatic Club and Quiz Club collectively go side by side throughout the academic session to appreciate the intellectual, aesthetic, cultural and social interests of knowledge

seekers. The college prides itself by registering 3rd Position Annual B.Sc. Exams 2017 under the banner of University of Gujrat, in addition to 1st position in B.I.S.E. Annual Exams 2016 in F.Sc. (Pre-Medical), and overall 3rd position in B.I.S.E. Annual Exams 2016 standings. It is the credible laurel for us that we have been the winners for last three years in Speech Competition organized by a HEC recognized University. Apart from these activities, we also focus on the need of sports and games for our youth. Various sports activities go on throughout the year. The acme of sports and games is witnessed on the Annual Sports day of the campus with all its colorful display

representing the zeal and zest in the field of athletics. Infact, we consider ourselves as the custodians of PGC traditions to inculcate the spirits of healthy activities among the individuals in our society that ultimately leads towards the establishment of a nation in real meanings. In addition to this, we pledge our commitment to contribute to the noble cause of educating our nation under the banner of PGC.

## STEP (Strategic & Tactical Entry Test Preparation Program)

Punjab Group of Colleges prioritizes the student's academic requirement and keeps itself updated with the contemporary evolving academic trends. PGC has been offering entry test preparatory classes to its students from the past few years and has been generating exceptional results. Keeping pace with the pulse of time and recognizing the need of the hour, Punjab Group of Colleges has officially launched an entry test preparation program by the name of STEP (Strategic & Tactical Entry Test Preparation Programme)..

### Vision behind STEP

Punjab Group of Colleges recently launched STEP (Strategic & Tactical Entry Test Preparatory Program) that offers entrance exam preparatory classes to students to help them clear the entrance exam held after Intermediate so that they can be admitted to professional institutes to pursue their goals. The project aims to bridge the gap between intermediate to professional universities which is a remarkable venture in itself to promote quality education that assists students to float through this crucial phase from intermediate to getting enrolled in professional institutes with excellent results. Intermediate exams (HSSC) or an equivalent certification (e.g. A Levels) are a deciding factor for the students to decide what they want to opt for their career.

The implementation of the standardized entrance examination has hyped the

intellectual challenge throughout the country to implement high-quality education stakes and to improve intellectual, conceptual and analytical skills of the students. The Punjab Group has thus launched STEP (Strategic & Tactical Entry Test Preparatory Program) to aid the students to cross this crucial stage of their educational journey and at the same time affirms its position as a complete and secure educational platform catering to a nation building phenomenon.

### Why STEP

- Bank of 30,000+ MCQs
- Career Counseling
- STEP Teaching Methodology (STM)
- Exam Oriented Preparation
- Merit-Based & Need-Based Scholarships
- Skill Enhancing Workshops

- Free World Class Study Resources
- Free "STEP by PGC" Mobile App

- 24/7 access to e-Libraries

### Salient Features Student Counseling & Advisory Department of STEP

STEP also features a Student Counseling and Advisory Department that exclusively focuses on providing students proper counseling regarding academic choices and career options to resolve conflicts that usually students face during their Intermediate phase. It provides the students with counseling guide to help them set

on the right track, so that their horizons gets broadened with clarity and direction. The department provides counseling that prioritizes the student's talent and ability while keeping in track the contemporary academic scope and challenges to achieve the goals and harness their potential.

The platform facilitates students with career-enhancing workshops, regular counseling and advisory sessions by eminent speakers, career coaches, and information officers to motivate and

guide them in the right direction. Trained information officers are appointed at PGC Campuses to counsel students intimately.

On top of that counseling and assistance is not limited to these resources but the digital campaign of STEP via social media platform and instant live chat service through the website (step.pgc.edu) has played and is still playing a significant role in enlightening the youth massively. STEP also regularly updates its students with university admission updates and entry test schedules

through STEP SMS System which includes all the necessary information delivered at the right time efficiently.

### Merit-Based & Need-Based Scholarships

We promote quality education and aim at expanding the literacy rate. STEP cares and acknowledges the need of its students and provides incentives based on scholarships offered by PGC to its achievers and underprivileged students so that they achieve their goals without any pressure.

### Achievers' Scholarships

STEP has taken upon a grand venture to extend the culture of care to its students in which it has announced Achievers Scholarship to its top 50 MDCAT and ECAT scorers enrolled in STEP Programs for up to 5 years.

25 Top MDCAT scorers enrolled in STEP

Programs will be sponsored an annual scholarship amount for 5 years.

25 Top ECAT scorers enrolled in STEP Programs will be sponsored an annual scholarship amount for 4 years.

# Campus Management System (CMS)

The vision behind developing Campus Management System was to implement management policies through centralized control and to strengthen the internal control system, thus, enabling uniform and consistent execution of policies across boards.

The Campus Management System is categorized in to academic management, administrative management and communication.

Academic Management facilitates in managing all the data related to the students' academics such as admissions, homework, assignments, attendance, assessment and examinations.

Administrative Management, on the other hand, involves maintaining the record of the students, tracking financial aid and scholarships offered to students and general administration of the campuses.

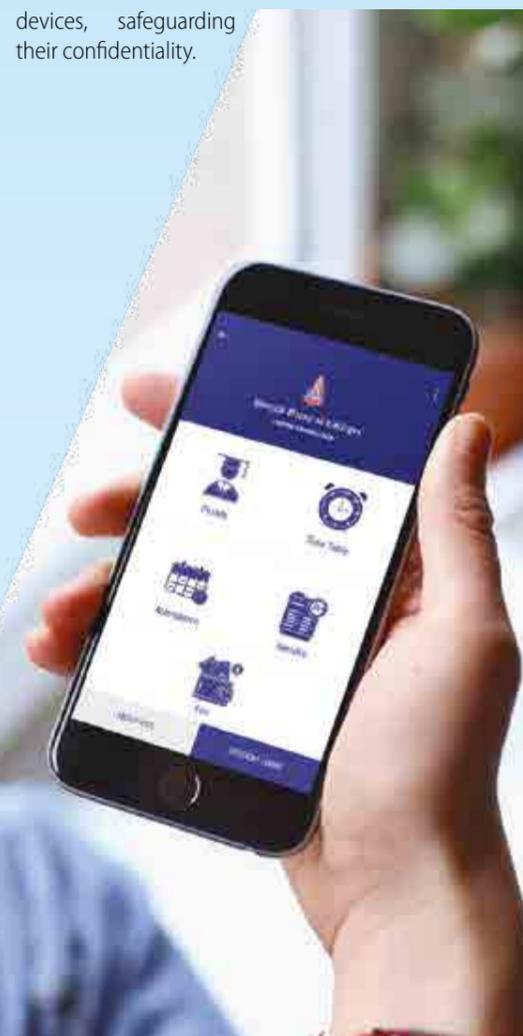

Reports are generated for principals, staff and parents regarding admissions, concession, attendance, grades, exam results etc. These reports help teachers and parents to track progress of the students. They also highlight the areas where improvements are needed from administrative point of view.

Implementation of Campus Management System has simplified the administrative processes and day-to-day tasks of the campuses. Tabs are given to the teachers in which they manage students' attendance, test results, and leave records. Parents are informed about their children's attendances and progress through SMS. Summing up, we can say by implementing Campus Management System, the management effectively focuses on improving the quality of education, reach desired academic goals within specific time and cost perimeters

## PGC Mobile APP

Punjab Group of Colleges has launched PGC Mobile APP. This App encompasses Campus Management System and E-Learning Program. E-Learning Program gives students the access to video lectures, MCQs and past papers. On the other hand, Campus Management System facilitates students and their parents to have an easy access on features like time table, notifications, test results, fee details and attendance etc. This facility enable students to access data on campus or from any other location, on web and mobile

devices, safeguarding their confidentiality.

## Quality Enhancement Cell

“The story of our success is inspirational but we can not rest on our laurels; we need to press on and we shall.

**Mian Amer Mahmood**  
Chairman  
Punjab Group of Colleges

The story of our successful growth, with God's blessing, has been phenomenal. It is inspirational as well as entrepreneurial earned over the years by the tireless sincere efforts of our committed faculty members and experienced managers running the network of institutions with innovative strategies. People trust us and we would never betray them. That is why monitoring of the campuses is maintained throughout the year. Our top priority is to maintain discipline and academic standards across the board. Quality Enhancement kicks off in Punjab Group of Colleges to translate the vision of the think tank of the Group.

Quality Enhancement Cell has been established to work for the promotion of quality education, administrative management and vibrant PGC culture across the country with strategic innovation.

Quality Enhancement Team comprises of senior foreign qualified educationists who work under the direct guidance of the think tank of the Group. Their mandate includes visits to the colleges, interactions with the principal, teaching staff and students and provides guidance to them in academic and administrative affairs of the institutions. Quality Enhancement Cell conducts Teachers Training / Capacity Building sessions in summer every year at ten cluster centres to enrich the teachers with latest advancement in teaching methods and keep them, abreast of the knowledge in their subjects. The training sessions are tailored according to the needs of the teachers crystallizing out of the Subject Need-based Proforma survey usually done well before the start of the training. Exhaustive discussions by the experts with the participating teachers provide a platform

for collective output to solve the problems of the teachers in their day-to-day classroom practices. Newly inducted teachers are highly benefited when they personally interact with the experienced educationists and gain confidence. This also helps them to understand the PGC system of education. Quality Enhancement Cell also arranges Principals Orientation Session for the newly appointed Principals who have to run the Colleges as per standards set up by the Group. Latest reading materials is provided in all subjects to every teacher so that they can benefit from them all the year round at leisure.

Quality Enhancement Cell also prepares the Academic Calendar and Yearly Planner for the guidance of the teachers and principals together. In a nutshell QEC is committed to safeguard the hard-earned credentials of the Punjab Group of Colleges across the country.

# Libraries

Libraries play a vital role in every educational system, and their importance in modern education is undeniable. They not only consolidate classroom knowledge, but also give the students opportunities to develop insights and research-oriented learning.

All campuses of Punjab Colleges have extensive academic libraries. A large variety of periodicals and journals are available in the libraries, along with invaluable books on Information Technology, Business and other related fields.

Books on Literature, Language, Religion, Philosophy and other disciplines are available

in all libraries of Punjab Colleges. All the libraries are air-conditioned and specifically designed.

Faculty members, students and research scholars can borrow library material barring reference books for a period specified for each category. Reference books are to be consulted within the library premises to ensure availability to all students.

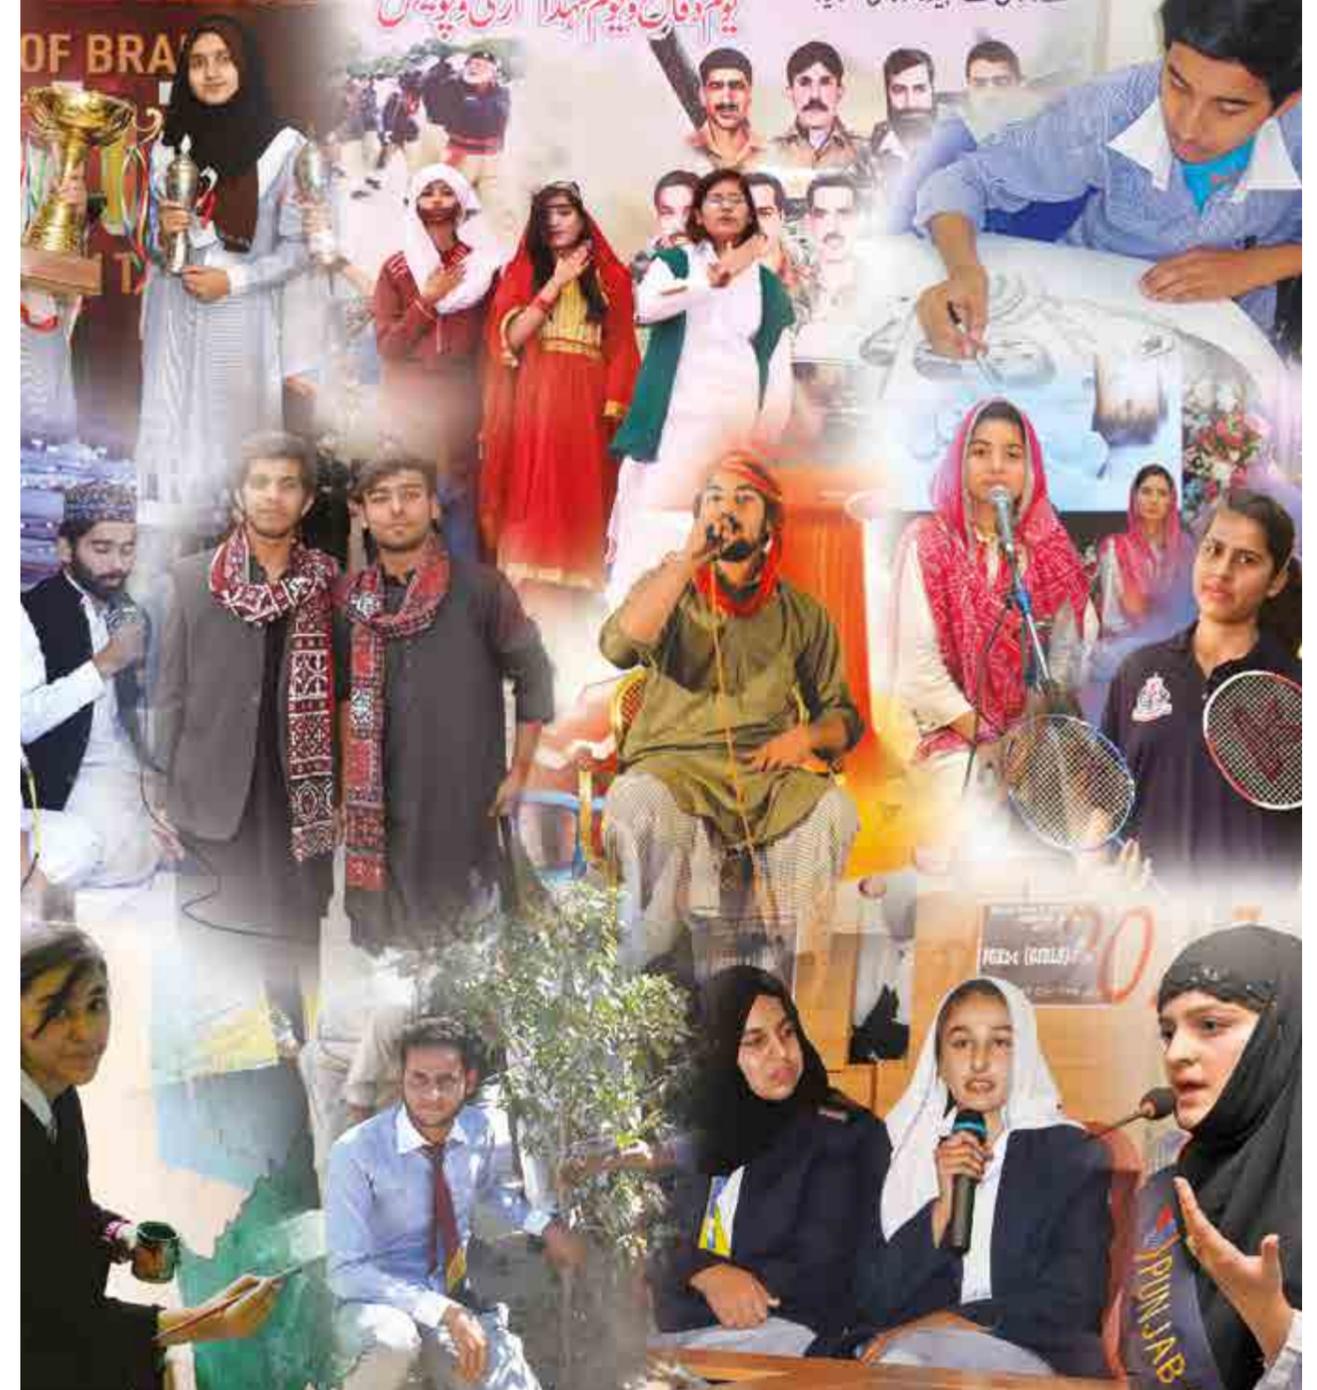

Newly-received books are listed on the library notice boards on the last day of each month to inform students of their arrival.

Trained staff is ever-present to assist the students in the use of catalogues, reference

books and in searching for any required/ relevant information from the library.

For the smooth functioning of the libraries, certain rules and regulations have been chalked out which are to be strictly followed. The library staff is polite and accommodating to the students who in turn are expected to be respectful and co-operative.

All the libraries of PCC/PCS/PCW are in the process of being interlinked shortly through a computer network. It will provide benefits to the large community of PCW/PCS/PCC students by giving them access to a greater number of books.

# Co-Curricular Activities

Education is generally thought of as including everything that shapes the human personality. Co-curricular activities are an integral part of education. They help mould the students' characters. They also develop a sense of healthy competition and create high moral values in students.

Punjab College has taken the following steps to add extra-curricular activities in their educational programs. Welcome and farewell get-togethers are arranged to give

students a chance to socialize and make friends. Inter-class cricket tournaments and other sports activities are encouraged to enhance team spirit.

To lessen the strenuous and hectic routine, students are sent on excursion trips at the end of every year. Swat, Muree, Patriata, Tarbela, Changa Manga and Kallar Kahar have always been enjoyable recreational spots for Punjab College students. Students interested in mountaineering are provided with this

opportunity, subject to the permission of the College Principal.

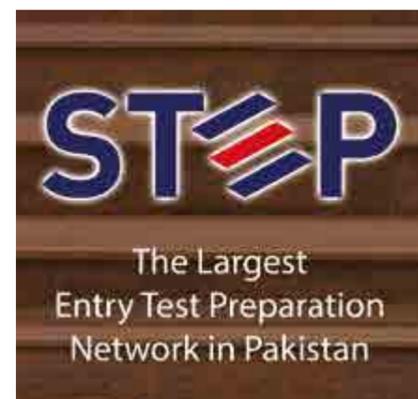

Punjab College owns boats to let students enjoy rowing in the Lahore Canal running in front of its Canal Bank Campuses, giving students a healthy and recreational activity in their spare time.

# PGC Specialities

## STEP - Entry Test Preparation Program

STEP, A Strategic & Tactical Entry Test Preparatory Programme offers entry test preparatory courses to students after intermediate exams to prepare them for their future so that they can pursue their goals and make it to their desired top-notch professional universities.

The courses are offered in MCAT, ECAT, LMCAT (Long MCAT), FUNGAT (FAST, UET, NUST, GIKI Admission Test), National Testing Service (NTS), LMCAT (with NUMS), NUMS (Exclusive), MCAT (Crash Program), and LECAT (Long ECAT).

## E-Learning

Punjab Group of Colleges has launched its E-learning program with an objective to provide access to world-class education to its own students as well as the students around the globe through its website: <http://el.pgc.edu>. This free website provides comprehensive video lectures of complete courses.

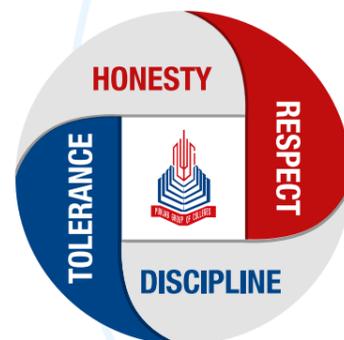

## Free Extra Coaching

Punjab Group of Colleges offers free coaching classes to its intermediate

students after college hours so that they can improve on their weak areas without any financial burden on their parents' pockets.

## Focus on Values Education

Values education is important in helping all of us improve the individual value system that we hold and use them in our

practical lives. We believe that it helps in shaping students' lives and to give them an opportunity of becoming model citizens.

We, at the Punjab Group, are focused on inculcating four key values across the board, from faculty, to staff, to students. These are Respect, Honesty, Tolerance, and Discipline.

## State-of-the-Art Learning Facilities

PGC provides students and faculty with a cutting-edge facility that includes smart boards, tablets for instructional support, specialized instructional spaces, and research labs. Various study areas and common areas for students, faculty and community interaction and events are also provided to give one of a kind experience for the PGC community.

## State-of-the-Art Laboratories

PGC labs present the perfect staging area to learn groundbreaking science, to engage students by actively involving them in cutting-edge work, and to

provide the best scientific education in the region. With the latest tools, support staff, and of course faculty members to guide them, PGC students enjoy learning the practicalities of what they studied in the classroom. Similarly, PGC computer labs provide

the latest software and hardware with filtered Internet access to introduce the world of IT to students, who can use these resources to support their learning and enhance the scope of their world-view.

## Effective Audio-Visual Aids

All classrooms have Audio-Visual aids. This promotes effective communication to expedite the class work for the teacher

and the student.

## Liaison with Parents

Students' attendances are monitored regularly. Every month, the attendance data is fed to the computer and analyzed from different angles. Parents are also informed about their wards' attendance record and warned against irregular attendance or unseemly behaviour. The data has also been found useful in arriving at academic and administrative decisions. Thus, it has been made possible to have greater cooperation from the parents in initiating remedial action regarding irregular and erratic students.

## Sports Center

PGC believes that a healthy body leads to a healthy mind. For that purpose, campuses offer a number of sporting facilities for students for their psychological and physiological wellbeing. PGC encourages college level athletics, as is obvious from our winning streak.

## Student Counseling Service

Student life can be rewarding and stimulating but can also have its share

of stress. Students who are preoccupied with personal worries may find it hard to concentrate on their studies, may feel isolated or deserted. The counseling services offer support and constructive help when there are problems. The trained and experienced counseling staff is always ready to help students.

## College Transport Facility

The Colleges provide transport facilities to their students on different routes. To avail this service, they must register

themselves at the Transport Office.

## Sports Gala

Educational institutions not only impart education to students but also mould their personalities as a whole. Annually, Punjab Colleges hold sports events which provide athletes with opportunities to show their abilities. Our sportsmen have bagged numerous titles and awards in Board and University competitions

bringing prestige to the institution.

### Excursion Trips

To lighten the stress of studies, field trips are arranged throughout the academic session. The Colleges arrange air-conditioned coaches for such excursions and special care is taken in reserving comfortable lodges during each stay. Vigilant faculty members accompany the students to supervise the tours and

these excursions are highly appreciated not only by students, but by the parents as well.

### Functions/Visits

An important milestone at the end of each academic session is the prize distribution ceremony and farewell function. This memorable event reflects the period of

hard work and personal development of the outgoing students of Punjab Colleges. Accompanied by their families, friends and parents, students celebrate their unforgettable moments. In other activities, students at Punjab Colleges are encouraged to visit cultural and historical sites. Similarly, throughout the academic session, a variety of social and sports events are arranged. Recognizing the importance of music in the lives of today's younger generation, concerts showcasing popular artists are arranged for our students' enjoyment.

### Debating Societies

The Debating Society of each College is an integral part of the College co-curricular

activities. They help the students polish their intellect and communicative skills, and build the confidence in public speaking.

### Dramatic Clubs

The Punjab College Dramatic Clubs play a pivotal role in the promotion of extra-curricular pursuits. PCDC provides entertainment by performing genres ranging from classical plays to modern comedies. Through drama, students gain confidence on stage and expose their peers to new worlds of ideas.

### Quiz Programs

At the Intermediate level, all the sections

are required to participate in Quiz Competitions. Such healthy activities not only sharpen the intellect, but also

inculcate a sense of confidence in the students.

### Punjab College Volunteer Club

Punjab College Volunteer's Club (PCVC) is also our key society, which has been playing a vital role in promoting awareness not only at college level but also at national level. PCVC inculcates such a vision that enhances the mentality of the students and also improves the commitment level of the students. PCVC arranges various events like Blood Donation Camps, Natural Calamity Aid Camps, Awareness Walks, Seminars of various issues on character building and ethical values, Book-Fair and Science Fairs.

### Other Facilities

Equal opportunities to learn and enhance their general knowledge are provided to young women. Trouble-free environments; strict College discipline and liaison with the parents are some salient features of the Punjab Colleges. The monitoring of progress has developed the confidence of both students and their parents. Consecutive outstanding achievements in the Boards and University Examinations is a proof of our claims.

## Incentives

Incentives have always been a source of inspiration for students. These awards encourage talented students to work harder and attain good results in their examinations. Position holders are the pride of their alma mater. Punjab College offers a number of incentives for all those students who perform exceptionally well in their Boards/University exams.

### Matric Position holders:

Students securing top positions in matric from all boards are awarded with a brand new car/cash prizes.

### Intermediate Position holders:

Students securing top positions in intermediate examinations from all boards are awarded with brand new cars, motorbikes and cash prizes. Moreover, they are offered free education in all institutions of Punjab Group of Colleges.

### University Position Holders

Students who secure top positions in university examinations are awarded with brand new cars.

### Scholarships & Concessions

- The Group offers free education and scholarships to thousands of students purely on merit basis for their academic brilliance.
- Punjab Group grants fee concessions to:
  - Teachers' children
  - Kinship Basis
  - Orphan Students
  - Old Students
  - Deserving Students

The college grants fee concession at the time of admission. This concession is renewable at the time of each installment provided they have 90% attendance at that time. Students benefitting from this concession must get their Concession Forms duly signed by the Principal.

Students are eligible for attendance awards and distinction certificates for their punctuality and outstanding performance in different disciplines.

Students are encouraged to participate in sports and co-curricular activities. They can win different medals, shields and cash prizes. Quiz Competitions, Singing Competitions and Debating Contests are regular features of all the campuses.

All Boards of Intermediate and Secondary Education, the Regional Directors of Education, and the University of the Punjab announce scholarships and awards for position holders.

There are many more cash prizes for brilliant students in different competitions. For example, in sports competitions, the winning team in a sports event of the university is awarded a cash prize. Similarly, in Board Competition events, a "Winning Team" from our college gets a cash prize.

We believe that these incentives motivate the students of our institution to work hard in this competitive world. We are positive that these incentives will continue to provide us talented and motivated students who are willing to give their all.

### NOTE:

For all concessions, students should apply within the time frame given by the college.

### 'Special Circumstances Financial Aid'

If the father/guardian of any current student unfortunately passes away, the responsibility of his or her fees will be taken over by PGC itself, and education will be free for the student.

## General and Disciplinary Rules

**General** All Students must abide by the College Rules, Regulations, Policies and Guidelines as may be promulgated by the College Administration from time to time. ## Punjab Colleges (Affiliated with Boards & Universities)

The Group set up its first college in 1985. Since then it has grown from a single college to the largest group of private colleges in commerce and science in Pakistan. The pioneering spirit and steadfastness of the Punjab Colleges founders is reflected in its richly earned traditions of excellence and its series of huge successes. Since its inception in 1985 its mission statement still echoes its original charter i.e. "to extend quality education to every nook and cranny of the country; and to produce excellent business technicians and scientists to make rich contributions towards national development."

Professional education, particularly in the fields of commerce and banking, is geared towards adequate monetary returns. This factor must be seriously considered before entering any professional degree program. At the masters level Punjab Colleges offer two distinctive programs; an M.Com-Accounting and Finance, and a Masters in Banking programmes of the University of Central Punjab. Both the degrees provide the necessary contemporary education requirements to meet the demands of Commerce and Trade of the modern world.

At the bachelors level, the Punjab University Degree is awarded to students in B.Com/B.Sc. and it also lays down the basic theory and foundation of subjects like Accounting, Economics, Business Law, Taxation, Commerce, Banking, Mathematics, Physics, Chemistry, Botany and Zoology. Intermediate education is also provided at all campuses and students receive an F.A./I.Com./F.Sc./ICS certification from the Boards of Intermediate and Secondary Education. At the Intermediate level students are introduced to the core concepts of the commerce and science.

## University of Central Punjab (UCP)

The University of Central Punjab (UCP) is a private sector university located in Lahore, Pakistan. The current enrollment of the university is more than 10,000. University of Central Punjab, a part of Punjab Group of Colleges, was chartered by the Government of Punjab in 2002 and it enjoys the status of being the first university in private sector in Punjab to have been awarded this status.

UCP has nine faculties which include UCP Business School, School of Accounting & Finance, Faculty of Information Technology, Faculty of Engineering, Faculty of Arts & Social Sciences, Faculty of Pharmacy, Faculty of Media & Mass Communication and Faculty of Life Sciences and Faculty of Law.

UCP has highly qualified and experienced faculty who is committed to accomplish its mission and goals.

To make students' learning experience productive and enjoyable, UCP provides the best possible facilities at its state-of-the-art campus.

Students can enjoy the services of a high-tech library, modern labs and classrooms, a spacious auditorium, swimming pool, gymnasium and facilities for indoor sports.

Besides academic excellence, co-curricular activities are given due importance. A number of clubs and societies are available to develop students' leadership qualities

through debates, dramas, sports and community services.

UCP has a very effective system of governance that facilitates the accomplishment of its mission and vision. Through its organizational plan and governing policies, the university creates an environment that stimulates teaching, learning, research, character-building and creativity. Every support is provided for the proper functioning of various organizational constituents which lends UCP to a very congenial, delightful, bright and cheery atmosphere.

## Mohammad Ali Jinnah University (MAJU) Karachi

Mohammad Ali Jinnah University (MAJU) chartered by the Government of Sindh and recognized by the Higher Education Commission (HEC), was established in 1998. The University was named after three great leaders: Mohammad (PBUH) for moral leadership, Ali (RA) (Baab-ul-Ilm), for knowledge and Jinnah for struggle. The objective in naming the university after Quaid-e-Azam was to offer the highest quality of education, research and patriotism.

Mohammad Ali Jinnah University, unlike other

institutions which have degree awarding status only, enjoys the privileged status of a comprehensive university. The Charter Inspection and Evaluation Committee of the Government of Sindh has ranked Mohammad Ali Jinnah University as "Very Good" (5 Star) category. At Mohammad Ali Jinnah University, education is considered an essential service. Hence, teaching continues despite natural and human obstructions. All graduates of MAJU are getting jobs in reputed organizations or undergoing advanced studies abroad on

scholarships.

The programs at MAJU are tailored to meet the real needs of today's economy and employment atmosphere. The curriculum is constantly updated to remain in line with the demands of current technology and new developments. The university also conducts training sessions, seminars, and workshops, which enable our students to apply what they have learned to practical situations.

**Resource Academia Schools:** Realizing the importance of high standard education, especially in the foundation years which play a pivotal role in the physical and mental development of children, Resource Academia School System was established which provides education from Pregroup to O-Levels.

It provides a highly interactive environment to groom children, engaging them in activities that involve imagination, exploration and innovation. To us, every child is a unique person with an individual pattern of learning, understanding, assimilation and analyzing. Resource Academia believes that these formative years, if handled professionally by dedicated and qualified educationists, can make a vital difference between success and failure.

**Allied School Systems:** The purpose of Allied Schools is to prepare students with promise

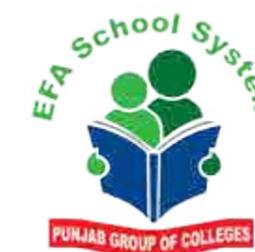

to enhance their intellectual, physical, social, emotional, spiritual, and artistic growth so

that they may realize their power for good as citizens of Pakistan.

Allied Schools aim to give children an all-round education offering a caring environment with a strong academic foundation.
